

LEGION TAKES HAND TO HELP UNEMPLOYED

PORTLAND, Ore., Feb. 16.—The unemployment situation in Portland has become so acute that there are now more than 2000 bread winners jobless and penniless. The Portland city council and Multnomah county commissioners have authorized Portland Post No. 1 of the American Legion to take the situation in hand in order that a more serious condition may be averted.

To prevent unemployed men and women coming to Portland, where only suffering and enforced return would be their lot, the unemployment commission of Portland Post

No. 1 of the American Legion is enlisting the co-operation of Legion posts and the press throughout Oregon and adjoining states in warning the unemployed to stay out of Portland until conditions improve.

"Employment will be provided for most of the unemployed Portland family men within 30 days, but the city cannot provide either work or financial aid for outsiders until conditions improve in the spring," according to the announcement of Charles B. Rucker, chairman of the unemployment commission.

Clerk Refuses to Change Tax Order

The tax collection impasse is not changed. County Clerk De Lap yesterday returned to the assessor the warrant for collection of 1920 taxes, without alteration. Assessor Lee, following original receipt of the warrant, returned it with the request that the \$50,000 Hot Springs courthouse construction levy and the \$14,000 miscellaneous fund, both enjoined by Judge Calkins, be included.

The clerk holds that in face of the injunction order he must exclude the prohibited items and refused to change the warrant.

DAKOTA MAN WILL RAISE PURE-BREDS AT BONANZA

W. R. Wood, formerly of Sioux Falls, South Dakota, who purchased the Joseph Nichols ranch of 160 acres a mile and a half from Bonanza a few years ago, plans to develop the place as a purebred stock farm. He will start with eight head, six females and two males, from the Claude Stevens stock farm near Seattle. Some of the cows are sired by the nationally famous bull, Matador, it is said. Mr. and Mrs. Wood will move to the ranch soon.

MASK BALL AT MALIN SUCCESS

(Special to The Evening Herald)

MALIN, Feb. 16.—Elsie Havlina, masked as "Liberty," and Edward Havlina as "Uncle Sam" won the lady's and gentleman's first prizes respectively at the tenth annual masquerade ball held here Saturday evening for the benefit of the Komenius library.

The committee reports that \$48.15 profit was realized after the cost of war tax, music, hall and prizes had been paid. One hundred and fifty masked persons helped to make the occasion a great success.

Prizes awarded cost \$100, some of the more expensive ones being a 146-piece set of imported china, a Coleman gas lantern, shaving set and a few pieces of community silverware.

The remaining ladies prizes were awarded Mrs. Joe Potucek, second, Czechoslovakia republic, Irene Petrasek, third, "Old Dutch Cleanser," Mrs. F. N. Moyer, fourth, "Butterfly." Gentlemen's prizes went to Carr Dalton, second, clement; A. Kalina, third, George Washington; Smith Chappell, fourth, "bull fighter." The group prize was given to Gladys Havlina, Kamilla Kleker, Mrs. W. Crandall, Helen Clem and Mrs. W. Robinson. The gentlemen to receive the group prize were Russell Crandall, C. C. Jalo, R. K. Hannon, Albert Piasl and Mr. Bailey.

Offers Free Use of Dancing Pavilion

Bert McDonald, who has received permission from the city council to build an open air pavilion on Klamath avenue between Sixth and Seventh streets, announces to the public that the pavilion, at times when it is not engaged, will be at the disposal of any charitable organization or church, for any purpose desired, and that no charge will be made for its use. This pavilion will be 100 by 110 feet, protected from the elements, and desirable for public affairs of many kinds.

Dances will be held regularly, and plans are being made to conduct them in strict conformity with city ordinances. Work on it will begin within two or three weeks.

Michigan Bankers Too Shrewd for Burglars; Foiled Thieves Flee

(By Associated Press.)

PONTIAC, Mich., Feb. 16.—Two safe blowers opened the vault of the Farmers & Merchants bank at Utica early today, but were driven back by a wave of mustard gas which had been placed in the vault by bank officials against just such an emergency.

The can containing the gas was placed in such a position that the forcing of the vault doors broke the container and released the contents.

The robbers fled in haste and empty-handed.

JANITOR BALKS ALL OFF WITH BASKETBALL

(Special to The Evening Herald)

MALIN, Feb. 16.—Prospects for a basketball team from the Union high school dropped far below par this week, after it was found impossible to make satisfactory arrangements for a place to practice.

The custodians of the Malin hall found an unsurmountable difficulty before them when they attempted to provide for the needs of their high school and its athletics. Their only available janitor and caretaker flatly refused to be bothered with the ball players, and since it was impossible to get another person to accept the responsibility and work, the high school had to be refused the use of the hall.

All hopes of playing outside games this season have had to be abandoned, as there is no other suitable place to practice. Mable peg and marbles have been suggested as substitutes for athletics and physical training by the disappointed students. It is hoped that the boys' and girls' teams may both have a chance to enter outside competition next year, as most of the promising material will be back in school.

DANCE AT MALIN

MALIN, Feb. 16.—A dancing party was given at the home of Mrs. Ray Pickett, one mile northwest of here Saturday night. Lunch was served at midnight by the hostess. A large number of Mrs. Pickett's friends were present and all report an enjoyable evening.

AN INSIDE BATH MAKES YOU LOOK AND FEEL FRESH

Says a Glass of Hot Water With Phosphate Before Breakfast Keeps Illness Away.

Physicians the world over recommend the inside bath, declaring this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the alimentary canal before eating more food.

Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who have bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to show the value of inside bathing.—Adv.

SPORTSMEN'S MEETING IS CALLED FRIDAY NIGHT

President Barney Chambers of the Sportsmen's association has called a meeting for Friday night, at 8 o'clock in the Chamber of Commerce rooms. The annual election of officers will be held, and game legislation and other matters will be discussed. This will be a meeting of more than ordinary importance, and every person interested in the matter is invited to be present.

If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much light, although you pay according to the amount you consume. But the service is performed for you by this company at the substations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.
