THE MOST BEAUTIFUL CAR IN AMERICA

## The Fastest Stock Car in the World

On January 21st the Paige Daytona Model 6-66 broke every stock car record for speed when it covered a measured mile in 35.01 seconds—a pace of 102.8 miles per hour.

This marvelous feat was accomplished on the sand beach at Daytona, Florida and both the time and chassis checking are officially attested by the Contest Board of the American Automobile Association.

Today, therefore, Paige stands as the unquestioned stock car champion of the world. And, what is even more, the entire line of Paige 6-66 Models is revealed as the most important automotive development of the age.

Henceforth these cars must be recognized by the entire world as Speed Masters of the highway. There need never be humiliating dust for the 6-66 owner because he will drive with the serene confidence of the true champion—and his horn blast will be more than an idle boast.

If you would be convinced, take just one demonstration in a Paige 6-66 Model and judge it from the standpoints of power, speed, acceleration, spring suspension and general motor efficiency.

Get the facts—actual lapsed time of the tests—and make a record on the demonstration card furnished by our dealer.

Then, take a second demonstration in any other car—at any price—and compare the results. That is all we ask and it is all that any good sportsman could possibly desire.

And remember, please, when you ride in the 6-66 you are riding behind an exclusive Motor—a six cylinder power plant that you will find in the Paige and no other car in the world.

We repeat, take just one demonstration—and draw your own conclusions.
