GLASS OF SALTS CLEANS KIDNEYS

If Your Back Hurts or Bladder Bothers You, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract.

Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine.

The Office Cat

BY JUNIUS

The Rowdy

A small, hen-pecked, worried-looking man was about to take an examination for life insurance.

"You don't dissipate, do you?" asked the physician, as he made ready for tests.

"Not a fast liver, or anything of that sort?"

The little man hesitated, a moment, looked a bit frightened, then replied, in a small, piping voice: "I sometimes chew a little gum."

Miss Dorothy Brenner, New York stenographer, who was awarded \$45,000 for the loss of her left limb, sure shook a profitable leg.

If the number you call on the phone is "busy," forget it. Try a want ad, and when it gets "busy," you will get an answer. "Number, please."

King Constantine says he intends to reign no matter who the allies may hail.

Roy Call says that people with glass windshields shouldn't throw spotlights at their neighbors.

Rubber, Perhaps

"Was your car badly smashed in the wreck?"

"Was it? The engine was bent around a telegraph pole!"

"Yeah. I always read that make of car has a mighty flexible motor!"

Reluctance

(Dictographed at the home of Claude Daggett who has just bought a new motor car.)

"I understand that you have a new motor car."

"Yes."

"Do you drive it yourself?"

"Nobody drives it. We coax it."

Leo Bean says a shave and a hair cut makes a fine disguise for some fellows.

Try today to live a simple, sincere, serene life and tomorrow will have more sunshine in it.

"It says here that a Missouri man boasts that he has an umbrella that has been in his possession for 20 years," said Bill Weist.

"Well," replied Charley Stone "that's long enough. He ought to return it."

They used to call her the hired girl and once in a while she had a day off.

Now they call her the maid, and she uses the family car as if she owned it.

If you believe in equal rights prove it by being courteous.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turn gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready to use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

EL CENTRO WANTS A MUNICIPAL GAS PLANT

EL CENTRO, Cal., Feb. 23.—Citizens of El Centro recently were polled by postcards by the local chamber of commerce to determine what they deemed the most important improvements to be undertaken to help the city's growth. Ninety two suggestions were made, with municipal gas leading with 65 votes.

Other suggestions were for more paving, a new lighting system, public playgrounds, a new courthouse, a new city hall and better homes.

O. B. Tout, president of the chamber, declared that out of the suggestions the chamber of commerce has adopted sufficient work to keep it busy for some time to come.

A SPLENDID POLICY.

If you were offered a life insurance policy that did not absorb any part of your premium, in a company that was safe and sound, it is not likely that you would refuse it. In fact the agent offering such a policy would be swamped with "business. Well, that is practically what W. A. Bullock, of this city is doing. He is selling a policy in the Occidental Life Insurance Co. of Los Angeles, Calif., that does this very thing. Here is how it is done:

He will write you a policy on the 20 year endowment plan guaranteeing you that in the event of death to return all deposits made by you in addition to the full face of your policy.

Should you become totally disabled from sickness or accident, the company have made special provision whereby you will have no further payments to make and will pay \$10 per month on each thousand dollars of insurance you carry which is not deducted from your policy at death. Besides, your policy matures the same as though you had made the payments yourself.

This is one of the best policies ever offered by any legal reserve company and has other special features just as remarkable as those outlined above. Before you buy that insurance you are thinking about. If you will call Mr. Bullock, 43-W or drop a car to 1406 Oregon Ave. He will be mighty glad to tell you all about it.—Adv.
