Miss Filthie Alien is expected to return to her adopted home in St. Paul next month. It is said that the Holdman-Berkman dynamite Parties have been more successful in America than in India.

An old-fashioned bomb party with special fireworks and torch-flinging features is now being arranged by members of the Communist Section of the United World Revolutionists. It is reported that the leading parts

in the play will be taken by Mr. and Mrs. Open Revolutionist while Mr. Satanie Bombflinger will take the villains' part.

Miss Nonne Parties, the young debutante daughter of Old man Exploiter of All-Parties will play the role of the ingenious, while the spectacular act will be held by Hon. Kill All Quick.
