

GERMANY MUST ACCEPT TERMS BEFORE MONDAY

LONDON, Mar. 3.—Germany has been given until noon next Monday to accept the fundamental conditions laid down by the supreme allied council at Paris.

The German delegates were informed by the allied representatives that if Germany does not accept the terms the allies will take immediate steps to enforce them.

The first step will be the occupation of Duisberg, Dusseldorf, and Roupport.

Secondly, each allied country will place a tax upon German merchandise.

Thirdly, the customs boundary along the Rhine under allied control will be established.

Replying to the allied representatives on behalf of Germany, Dr. Simons said that Germany's intentions had been entirely misunderstood. The German reply, he said, would be delivered Monday.

"In our opinion," he added, "no occasion will arise for the actions set forth by the allied powers."

WILSON AND COLBY, LAWYERS

(By Associated Press)
WASHINGTON, Mar. 3.—President Wilson formally announced today that he would "resume the practice of law" in partnership with Bainbridge Colby, retiring secretary of state.

The president graduated from the Virginia in 1881, later practicing in law department of the University of Atlanta.

The firm will maintain offices in New York and Washington.

William B. Wilson, retiring secretary of labor, was appointed today by President Wilson as a member of the International Joint commission, succeeding O. J. Gardner of Maine, who resigned.

Farm Loan Decision Big Boon to Farmers

(Telegram Washington Bureau)

WASHINGTON, Mar. 3.—Oregon farmers and in fact farmers of the entire northwest will benefit by the supreme court decision sustaining the federal farm loan law. For many months the business of farm loan bonds has been paralyzed because of the attack on the validity of the farm loan bank law and confidence of investors in these tax-free bonds was temporarily destroyed pending decision of the highest court.

The result of the decision will be greater activity in all farm loan projects and sufficient funds to relieve the more important needs of farmers operating under the new farm loan law.

Members of the Oregon delegation believe it will do much to speed development of agricultural districts of Oregon and the Northwest, and will make these investments much sought after by wealthy investors who are not now buying farm mortgages because of the federal income tax.

Herald Gets News Service

The Herald, by special arrangement with the Portland Daily Telegram, will hereafter receive a daily Washington service, dealing with events at the national capitol that particularly affect the Northwest. The Telegram maintains a special bureau, with a staff of news-gatherers in Washington to sift from the general happenings the news of particular interest to this section of the United States. At this time, when many questions of great importance will come before the new administration for decision, The Herald believes this service will be of general interest.

Copco Staff Will Hold Conference And Banquet Here

Members of the staff of the California-Oregon Power company will gather here Saturday for conference on company problems. The general officials from San Francisco, division officers from Yreka, Medford, and Klamath Falls and members of the local engineering and operating departments will participate.

In the evening a banquet will be held at the White Pelican hotel. At least 40 persons are expected to gather round the table.

These conferences are held in different divisions from time to time. It is designed to have them each month. There has been none since the last was held at Copco in September, however.

Close Finishes As Bowling Tournament Draws to Close

Mason's Boxmakers nailed two of the three games rolled with Upp's Jewellers on the Elk's alleys last night. Underwood's Druggists and Bodge's Tailors will bowl the last games of the tournament, but the date of the match is not definitely fixed.

The final match may decide the tournament as Mason's and Upp's teams are now tied with 12 games won and 9 lost, each. If the Tailors can take three straight games in the coming match they have a chance to win.

Last night's scores were:

Upp's Jewellers	188	196	128—512
Jefferson	145	143	152—440
Pope	178	181	165—514
Moore	129	168	145—442
Wright	134	145	125—404
	774	833	705

Mason's Boxmakers

Rogers	156	177	187—520
Alnutt	184	165	143—482
McGee	177	134	124—435
Daggett	132	115	101—348
Mason	198	195	160—553

HOSPITAL BILL OVER AT LAST

WASHINGTON, Mar. 3.—The senate and house today passed the bill providing \$15,000,000 for additional hospital facilities for disabled service men.

The bill designed to improve the service given soldiers by the war risk bureau also went to the president. It provides \$1,000,000 for the establishment of regional offices throughout the country, where soldiers can make compensation and insurance claims for direct compensation.

Man Hunt Is On In The Yainax District; Fugitive Is Armed

Frank Rodriguez, also known as Frank Rodero, Jack Wilson, and half a dozen other aliases—best known as Filipino Frank—is a fugitive from justice as the result of escape Tuesday from Port Summers, Indian policeman, at Chiloquin. Frank is armed and was headed toward Yainax, according to report from Summers to Sheriff Low yesterday. Two Indian police are on the trail and Summers says he will get the man. The fugitive has a bad reputation and trouble is expected if the officers encounter him suddenly.

He was arrested for passing two bad checks here, for \$50 and \$25, one on the Central Hotel shoe shining parlor. He is also wanted on two bad check charges in Lake county, under the name of Jack Wilson. He lived at Chiloquin.

LAST RITES TOMORROW FOR MISS HOWELL

The funeral of Miss Audrey Howell who died Monday from a facial infection, will be held tomorrow at 10:30 o'clock from Whitlock's chapel. The Rev. C. F. Trimble will deliver the sermon.

WEATHER REPORT
OREGON—Tonight and Friday, fair.

CAMPAIGNERS SPENT \$36,288, JOHNSON MOST

(Telegram Washington Bureau)

WASHINGTON, Mar. 3.—Oregon figures in the report of the committee on privileges and elections submitted by Senator Kenyon yesterday. The report draws no conclusions, makes no recommendations, but suggests that the next congress pass new laws to prevent such expenditures. It finds total expenditures of the presidential campaign were \$10,338,509.92, of which \$8,109,739.21 was spent by the republicans and the democrats.

The republican and democratic state committees of Oregon report receipts by the republicans of \$8265.24 and the democrats of \$12,633.28. In both cases some of this money was used in local campaigns.

In addition, the republican senatorial committee sent to Oregon \$15,450.

Two states received more, Arizona \$23,000 and Nevada \$17,000.

Oklahoma tied Oregon.

The sum of \$375,979 was expended by the republican congressional committee.

Lowden spent almost four times as much as Harding, and even Hoover spent more than the new president. Johnson led Harding by almost \$100,000. He spent more than all other candidates combined.

Prosperity Week Will Be Observed From April 4 to 11

Klamath Falls merchants will take an active part in the national Prosperity Week campaign, April 4 to 11. This was decided at last night's meeting of the merchant's bureau. Stimulation of buying through a general publicity campaign and wiping out of old debts are features of the scheme.

Reduction of prices came up for discussion. The bureau is looking into the matter of costs thoroughly.

The matter of a night watchman on Main street was another subject of discussion. By unanimous vote it was decided to close all business houses from 1:30 to 3 o'clock today in honor of the memory of the late Captain Lee.

The meeting was characterized by merchants as the best get-together affair attended here. The majority of the city's business houses was represented. A Dutch lunch closed the evening.

ACTIVITY IN THE BOY SCOUT ORGANIZATION

Boy Scout leaders are planning a general meeting for Scouts and Scout interests about March 15. The executive committee yesterday discussed plans for a camp ground for use of the scouts in some nearby scenic spot. Mills Addition is considering forming a Scout troop.

WILL LAUNCH STATE WIDE DRIVE FOR REPRESENTATIVE SYSTEM

The chamber of commerce has called a meeting for the evening of March 8 to consider the question of a political redistricting of the state. Attempts to secure a reapportionment that would give Klamath county adequate representation in the legislature failed at the recent session of the legislature. All interested persons will have a chance to express themselves at this meeting.

Now it is planned to launch a movement that would give each county in the state one senator, and apportion representatives according to population. It is hoped to have the plan in shape to secure a referendum vote at the June election.

The plan would follow the lines of federal representation which, says Secretary T. L. Stanley, in a circular letter that is to be distributed widely throughout the state, "is not susceptible to great improvement."

The letter points out these facts in connection with the 1923 session:

In the senate: Thirteen counties are assured of one or more senators; 9 counties will have only one-half senator each; one county will have only one-half plus one-third senators each; twenty-three counties have no assurance of any direct representation, and twelve counties will positively be without direct representation.

30 PER CENT INCREASE IN PHONE RATES

SALEM, Mar. 3.—The public service commission late yesterday granted an increase of rates to the Pacific Telephone & Telegraph company. The increases average about 30 per cent over the present rates. The company asked for a 45 per cent raise.

The rates at Klamath Falls will be:

Business phones—one party line \$4.50; two party line, \$3.75, and suburban \$3.50.

Residence phone—one party line, \$3.00; two party line, \$2.50; four party line \$2.25; suburban lines \$2.50.

The increase will affect Klamath Falls subscribers to telephone service in two ways. They will pay a higher rate for their phones but, if this office gets its promised share of the increased revenue, patrons will get a better service and many extensions.

Klamath Falls has been promised \$15,000 for new installations, extensions of lines, especially in the Shippington district, and more central office equipment.

Will Lee Selected For Assessorship

William T. Lee, son of the late Capt. J. P. Lee, county assessor, was appointed to the vacancy created by his father's death by the county court last evening. Mr. Lee has long been a resident of Klamath county and is fully familiar with the duties of the assessor's office.

LAST RITES FOR CAPT. J. P. LEE

Closed business houses and public buildings today marked the general sorrow felt in this city at the death of Captain J. P. Lee.

Last rites were said for the veteran assessor this afternoon at the Elk's temple in the presence of a large audience of sorrowing friends. The dead man's pastor, the Rev. C. F. Trimble, delivered an impressive eulogy. The ritual of the Elks closed the ceremonies. Members of the American Legion formed part of the line that followed the body of the warrior of another generation to its last resting place.

The active pall bearers were: Ed. Bloomingcamp, A. Kalina, of Mallin; Wm. Delzell, Wm. Tingley and George Ulrich, of Klamath Falls, and E. M. Hammond of Merrill.

The honorary pall bearers were: David Campbell, Captain O. C. Applegate, J. W. Bryant, Frank Adams, and the county officials.

Sinnott's Soldier Settlement Plan In Bonus Measure

(Telegram Washington Bureau)

WASHINGTON, Mar. 3.—In the senate, practically the entire soldiers' farm settlement plan as presented by Chairman Sinnott of the house committee on public lands last year and passed through the house under his leadership is incorporated, with slight changes. It is expected this bonus bill will be passed early in the next session of congress, and this feature of land settlement retained practically as passed in Sinnott's bill. If it becomes a law as expected, it will aid greatly in the early development of homesteads and getting of ex-soldiers into productive development on new farms throughout the west, many of them in Oregon.

Owen Jones, Primary Candidate Against Sinnott, Is Suicide

Despondent over ill health, Owen Jones, retired Episcopalian minister, and candidate for representative against N. J. Sinnott at the last primary, hanged himself with a strap in his room at a Portland sanitarium. Saturday, according to Portland papers. Jones had been a patient at the sanitarium since December 6. Ill health forced him from the ministry last September. He leaves a wife and son. The dead man's home was at Baker, Oregon.

NERVY FORGER IS JAILED BY LOCAL OFFICERS

Gordon Nelson, aged 23, registered at the White Pelican hotel since Sunday from Honolulu, was arrested at 1 o'clock this morning by Sheriff Low, Chief of Police Wilson and Price Recob, on a charge by Oakland police that he had passed \$800 worth of bad checks in that city. Nelson confessed his guilt and agreed to return to California without extradition.

Among the prisoner's effects the officers found \$700 worth of bad paper prepared for passage here. Yesterday Nelson deposited a \$1000 check, payable to the First National bank, for collection, and secured a deposit slip. It is thought by the officers that he intended to start a raid on local merchants today, using the deposit slip as proof that he had a bank account.

The officers waited at the hotel from 10 o'clock last night to one this morning for Nelson to put in an appearance. He was enjoying himself at the public dance. When he showed up he was arrested. He had several books of blank checks in his possession, including books from Oakland and Honolulu banks.

As far as known Nelson passed but one piece of bad paper here, a \$30 check to the White Pelican hotel. He had \$30 in cash with him and redeemed the check after his arrest.

Sheriff Low is waiting instructions from Oakland as to the disposition of the prisoner.

HARDING READY TO TAKE JOB

(By Associated Press)

WASHINGTON, Mar. 3.—President-elect Harding arrived here this afternoon and went into immediate conference with inaugural officials on the details of tomorrow's ceremonies. A big crowd greeted him at the station.

Mr. Harding definitely announced the selection of James J. Davis of Pittsburgh as secretary of labor.

DRY LAW VIOLATION

Dick Williams will appear before Justice Gahagen tomorrow on a charge of possessing liquor. He was arrested yesterday afternoon and his trial set.

LINK RIVER DAM WILL BE BUILT COMING SUMMER

Work on the Link River dam will be resumed this summer, according to the annual report of the California-Oregon Power company.

The power company has application pending with the California railroad commission for sale of \$1,849,000 worth of bonds under a reorganization plan which will create a new corporation to take over the property of the old. The new company will be called the California Oregon Power company, the only difference in name being the dropping of the hyphen between the state names.

Million For Extensions

Under the reorganization plan the bonds of the old company will be cancelled and a new bonded indebtedness of \$10,000,000 created, of which \$3,000,000 will be issued presently. Of the three million issue \$1,151,000 will be reserved to cover underlying bonds, and \$1,849,000 will be sold to repay loans of some \$481,900, now existing, and to provide a fund for extension work and improvements, of which the local division will receive its share.

The application before the railroad commission asks for the issuance of temporary certificates for approximately a million and three quarters dollars to make the fund immediately available. The certificates would be convertible into bonds when the reorganization plan is complete.

Bond Holders Back Plan

Significant of the confidence of the bond-holders in the financial plan, says the report, is the fact that all but two of the old company's bonds have been deposited with the committee which is working out the details of reorganization.

Work on the Link River dam was stopped August 31, 1920, following controversy between the company and the American Legion and other interests over damage that might arise from raising and lowering the waters of the Upper Lake.

Settlement was virtually effected at a hearing before the Chamber of Commerce committee here, where an understanding was reached by all interests involved, followed by a hearing before secretary of the Interior Payne, which resulted in modification of the original contract between the company and the United States.

Land Owners Satisfied

"It has also been necessary," says the report "to conduct negotiations with the various land owners and timber mill operators about the lake, so that the work of regulating the lake might be conducted in such a manner as to protect the rights of all concerned and at the same time avoid a prohibitive cost to the company. These negotiations have now reached a point where it is felt that we may be reasonably certain that no insurmountable difficulties will arise, although there is still much to be done in this regard."

Work on the dam, according to J. C. Thompson, division manager, will be started as soon as the river flow drops sufficiently to permit operations, probably May or June. The nucleus of a construction crew is being maintained here, it is understood, indicating that the operation will start at the earliest possible moment.

Local Young Folks Married In S. F.

Josephine Low, daughter of Mr. and Mrs. C. C. Low, and Rex McMillan, Southern Pacific fireman, both well known young folk of this city, will be married today in San Francisco, according to a telegram received by the bride's parents. The marriage announcement comes as a general surprise.

Miss Low left a few days ago to visit friends at Weed, with no intention that matrimonial plans were brewing. Last night came the telegram that the two young people were headed for the California metropolis and the altar.

The bridegroom's parents live at Santa Ana, California.
