EAT DOWN THE MARBLE STEPS

Ho, Hum Hazy
While we have no inclination toward a verbal altercation with a gentleman in Philadelphia, Pa., who declares, all by his lonely, He brought prices down, we only wish to say he's pulling something rather raw.

Every day for months we've fashioned caustic paragraphs impassioned, and we've panned the profiteer in flowing rhythm; If the gentleman is willing To share credit for the killing We'll be glad to split it 50-50 with him!

When It Comes to a Real Showdown
Tom Watters says that most motorcycles are a whole lot faster than the fellows who ride 'em.

Dry Ballads
I cannot sing the old songs I do not care for them. They don't sound like they used to At 1 or 2 a. m.

A Letter to Mista Harding
Dear Mr. Harding: Greetings, etc. Now that you're duly in-aug-rated, we wish to extend our sympathies of the season.

Thanks for the moth-proof cabinet. We congratulate you on leaving out the Knotts and Knox. We're only gonna ask one favor of you. We want to be appointed ambassador to Dorris. Please send it to us at once or earlier by prepaid mail. Yours for warmer beevodees.

They say that the price of paper is still way up so they'll probably go back to making shoes out of leather now.

They'd Make Poor Hens
When a hen cackles it is generally a sign that she has laid an egg. But lots of men cackle without having accomplished anything.

Relapse Ahead
Klamath Falls physician claims to have restored two patients to sanity by pulling their teeth. When they see the bill they will go crazy again.

Nobody knows why they call it a dumb waiter. There is more talk up and down a dumbwaiter than there is in a political convention.

SHE BELIEVES IT SAVED HER LIFE

PORTLAND WOMAN, ON VISIT TO CHILDREN IN LOS ANGELES, TELLS OF REMARKABLE EXPERIENCE THROUGH THE USE OF TANLAC.

"It means a lot to say a medicine saved a person's life but I firmly believe Tanlac saved mine," declared Mrs. Louisa Smiley, 216 North Grand Ave., Los Angeles, Cal. Mrs. Smiley's home is in Portland, Oregon, but she is spending the winter in Los Angeles with her children, who live at the above address.

"It just seems wonderful that I am enjoying such splendid health again after I had suffered for 17 years. It was in 1900 that I first began to have bad attacks of indigestion and in 1902 I had such a severe spell that little hope was held out for my recovery.

"Each year I gradually grew worse and all the time I just lived in dread of one of those spells. My nerves broke down and often I caught myself all in a tremble. Of course I had little or no appetite and I was almost afraid to eat. Sometimes my whole body ached, and I just felt so discouraged and worried all the time I didn't think I could live much longer.

"About three years ago Tanlac came to Portland and I began taking it and the very first few doses seemed to bring relief. In all I took five bottles and after that I felt perfectly well, was not a bit nervous and could eat just whatever I wanted. Since then I have enjoyed splendid health and haven't had a single attack of indigestion."

Tanlac is sold in Klamath Falls by Star Drug Co., in Lorella by James Merc. Co., and in Merrill by Southern Oregon Drug Co., at Modoc Point, E. A. Sutton & Son, at Dairy, W. E. Sedge.—Adv.

The Aspirin Situation

Don't Be Deceived

by Aspirin advertisements being run by those who seek to discredit all Aspirin Tablets except those made by them.

The Facts Are

that we regularly handle large quantities of Aspirin U. D. Co. Tablets that we know are Pure and Genuine and full strength. They are rigidly tested by first-class chemists, and are put out by a firm of the very highest standing, the United Drug company of Boston. We, as Rexall Druggists, are their exclusive agents in Klamath Falls.

The Aspirin patent expired in 1917, and anyone can now make Aspirin and sell it under that name. Aspirin U. D. Co. Tablets are put up in packages of 12's 24's and 100's. The price is moderate, for there is no profiteering in United Drug company business methods. FIFTH AND MAIN STREETS
