The Office Cat

BY JUNIUS

Here's Proof of It
I saw her in the ball room.
A figure most divine
A shape the Venus might have
liked,
Superb in every line
I saw her at the sea-shore
The contrast made me sigh
I cannot help believing now,
That figures sometimes lie.

Provided in the Meantime Congress
Doesn't Authorize A Half
Penny Coinage
When profiteers land in the region
infernal
To boll for each ill-gotten dollar
and dime
Counting profits should be their em-
ployment eternal.
In rosy-hot pennies—just one at a
time.

The Ku Klux Klan we're interest-
ed in are the blamed clucks who
eat their heads off and won't lay
an egg.

Pome
You sing a little song or two,
And you have a little chat
She makes a little candy fudge,
And then you take your hat
You hold her hand and say good
night
As sweetly as you can—
Ain't that a hell of an evening
For a great big healthy man!

Thass Right
"There ain't a chance in the
world for the girl that wears over-
size stockings," observes an Ar-
kansas Thomas Cat (Hot Springs.)

Vital Statistics
Dictographed out on Ninth street.
"I see by the papers," remarked
ma, "that every fourth child born
is a chinaman."
"I don't see anything is that to
worry about," replied the head of
the house. "We've only got to kids."

It would be easy to get Bergdoll
out of Germany if that country
would engage in another war.

A Confession
As I lay in bed one morning
And gazed upon the wall,
The spiders and the ants
Were having a game of ball
The score was one to nothing
The spiders were ahead
When all at once my wife came in
And yanked me out of bed.

Frank Robinson says that he
don't know a helluva lot. But that
he does know that hard work is as
big a factor as religion in keeping
a man out of trouble.

Old Mother Hubbard
Went to the cupboard
For some beer to quench her thirst
But when she got there
The cupboard was bare—
The old man had got there first.

"What's your name little boy?"
she asked.
"Bean," replied the new one
"Navy bean or Otterbein?" pur-
sued the interlocutor.
The other kid rallied quickly to
the rescue.
"He aint neither," he declared
briskly. "He's a human bein'."

We suppose the skinny girl has
as much right to wear a short skirt
as well as a well built girl, but it
certainly looks to us like abusing a
privilege.
