Personal Mention
 Lucile Stewart of the Henley district was in the city Saturday visiting friends.

James Iteney, a prominent farmer and stockman, who operates a large ranch in the Henley district, was a county seat visitor Saturday, transacting business and visiting the local merchants.

Mrs. Van Cornish of Medford, who has been in the city since Friday visiting friends and relatives, returned home today.

OTHERS CAN USE THE THINGS YOU DISCARD
 Why save all those surplus books which you have read, those records you are tired of, those cushions which are always in your way, that extra chair with the round gone, the old rocking chair with one round missing, those odd dishes, the pictures in the attic, the stove pipe, and all those things you can get along without? Send them over to us, and let some one use them.

Weather Probabilities
 The barometric pressure, as recorded by the Cyclo-Stormograph at Underwood's Pharmacy, has risen steadily since the early hours of Sunday morning, until noon today, since when it has fallen, slightly. But unless the fall should continue, the probabilities are that weather conditions during the next 24 hours will be about the same as the last.

Forecast for next 24 hours: Cloudy, continued warm, followed by unsettled weather.

NEW CLERK'S DEPUTY
 Garrett Van Ripper has quit his place as chief deputy in the county clerk's office to take a position in the First State and Savings bank. He will be succeeded in the clerk's office by Charles De Lap, who has had much experience in former years.
