# SAYS MALIN

toman, Shasta View farmer, expressed himself as strongly in favor of the high school, and the bond elecheld by the Bohemians in the Malin hall here Sunday. The purpose of freeborn negro Americans. the meeting was to explain the proposition to some of the Bohemians in their native tongue because of their inability to understand the in conversation, "ames and music. English language perfectly.

Mr. Ottoman's opinion as expressed is translated.

"With schools and education comes a betterment of the people," declared Mr. Ottoman, 'and we as citi zens should be interested in the River Over Banks progress of the nation. The growth of some kind of high school is inevitable because the growing population needs it.

there was only a small house, or that side of the river is well in rather olny a shed. But with the settlement came a demand for a larger school and later for two schools. tional institutions are needed.

of the location of his property."

### ROYALTY ENTERTAINED
