"That's a beautiful bus," said the salesman, all carried away with his own eulogy of the car. "Of course, there may be some little thing that it needs, but that's to be expected."

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat If You Feel Back-ache or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then set fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate

sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful or invigorating lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Luster At Once

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, in a large bottle, at little cost, at drug stores, known as Wyeth's Sage and Sulphur Compound, thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You

just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.—Adv.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Really Made Smooth, Says Specialist

Any breaking out of the skin, even flery, itching eczema, can be quickly overcome by applying a little Month's Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm. It seldom fails to remove the treatment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin troubles should obtain a small jar of Month's Sulphur from any good druggist and use it like cold cream.—Adv.

The Office Cat

BY JUNIUS

George Ulrich says that the man with plenty of sand, a wide horizon, and a cool head is a summer resort all to himself.

Johnnie was very much afraid of the dark, but his mother had assured him that the angels were watching over him and he need not fear. He suddenly appeared in his night gown among the guests she was entertaining. "Why what's the matter, Johnny?" she asked.

"Oh, mamma! are you sure the angels are in my room?" "Yes, dear," answered his mother. "Are they in my bed, mamma?" "Yes, dear, the angels are in your bed." "Well, mamma," cried Johnnie, "they're biting me."

Crazy Times

Strike and the world strikes with you, work and you work alone; our souls are ablaze with a bolshevik craze, the wildest that ever was known.

Groan and there'll be a chorus, smile and you make no hit; for we've grown long hair and we preach despair and show you a daily fit.

Spend and the gang will cheer you, save and you have no friend; for we throw our bucks to birds and ducks and borrow from all who'll lend.

Knock and you'll be a winner, boost and you'll be a frost; for the old sane ways of the pre-war days are now from the program lost.

Strike and the world strikes with you, work and you work alone; for we'd rather yell and raise blue hell than strive for an honest bone.

Rant and you are a leader, toil and you are a nut; 'Twas a bitter day when we pulled away from the old work day rut.

Wait and there'll be a blowup, watch and you'll see a slump, and the fads and crimes of these crazy times will go the nation's dump.

"There once was two cats from Kilkenny. Each thought that was one cat too menny;

So they scratched and they hit, And they growled and they bit, 'Till, exceptin' their tails, And the tips of their tails, What was left of them cats wasn't enny."

Doc Johnson says that by close observation, he has found that it is easy to be a real philosopher if you don't have a personal interest in the thing that is going wrong.
