ETHEL CLAYTON

—IN—
"CROOKED STREETS"

A tale of the Mystic East.

See her captured and married off by a gang of brawling sailors.

See her captured and carried off by a gang of brawling winners prize.

See the opium smugglers' intrigues in the underworld channels of Shanghai.

See a picture filled with a hundred thrills, and strange scenes actually taken in "the Paris of the Orient."

Short Skirts Are the Vogue

And we thank our stars for it. We speak for the public at large when we say there is joy in beholding a dainty ankle. Provided, of course, it is shod and stockinged to perfection.

For Easter footwear let us suggest Low shoes. Their grace, their materials and their command of the niceties of fashion give them the exclusiveness sought by better dressed women.

The season's new models are on exhibition in our windows. Gray suedes, light and dark brown, black kid in hi and low heels.
