LUHMANN REFUSES FARE OFFERED BY RELATIVE

Carl Luhmann, afflicted with temporary weaknesses, which cause him to fall to the ground without warning, oftentimes injuring himself, today refused to accept trans-

portation back to San Francisco offered over the telephone by his sister who lives in San Francisco and stated that he preferred to stay here and obtain work. Sheriff Low is not inclined to permit Luhmann to stay here and after a strenuous session with him this morning, the sheriff

impressed him with the fact that it is up to him to go back to San Francisco, or to do time as a vagrant. He may be examined today by Dr. Merryman with a view to determining the cause of his affliction.

A classified Ad will sell it.
