Three Draw Lots For Residence

HAMILTON, Bermuda, March 15. (By Mail)—Richard Darrell won "Norwood," a fine residence property on the shore of Hamilton Harbor and one of the show places of Bermuda, by drawing lots yesterday with two other persons in compliance with the provisions of an unusual will of his uncle.

Henry Darrell, former owner of this estate, could not decide which of his three nephews he would make his heir, so he stated in his will that they would throw dice and let fate decide the matter. But in the interval, his sister, Miss Harriet, was to retain a life interest and continue her residence at "Norwood."

Miss Darrell died in January last and arrangements were then made out of the terms of the bequest. It was thought best however, to modify the plan to the extent of substituting slips of paper which were shuffled in a box, for the dice throwing. This was consented to by all parties and the lucky nephew is now possessed of the ancestral estate.

An ordinary pair of boots in France costs \$25.

Next December the Roman Catholic church is to observe the 129th anniversary of the death of Saint Irminda, the founder of a community which was established in honor of the Blessed Virgin. She was a princess, the daughter of St. Dagrobert II., King of the Eastern Franks.

The late ex-Emress Eugenie is said to have been haunted by a dread of Sundays. September 4, 1870, the day the mob invaded the Tuilleries, was a Sunday; it was on a Sunday that she learned the news of the death of the Prince Imperial; and she herself died on a Sunday.

SALTS FINE FOR ACHING KIDNEYS

We Eat too Much Meat Which Clogs Kidneys, Then the Back Hurts

Most folks forget that the kidneys, like the bowels, get sluggish and

clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

SULPHUR IS BEST TO CLEAR UP UGLY BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment of disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.—Adv.

COMB SAGE TEA INTO GRAY HAIR

Darkens beautifully and restores its Natural Color and Lustre At Once

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Making the Sage tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Witch's Sage and Sulphur Com-

Comb Sage Tea into Gray Hair. While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.—Adv.
