California American Legion Auxiliary to Hold Camp August 27

SAN FRANCISCO, Cal., April 7.—The annual encampment of the California Department of the American Legion and its Women's Auxiliary will be held in the Yosemite Valley, the week of August 22, according to an announcement by George J. Hatfield of the convention committee. Headquarters will be maintained in the government pavilion.

A pilgrimage to the Big Trees August 27 and dedication of a giant sequoia to an "unknown hero," typifying the American soldier, will conclude the encampment.

An attendance of 5,000 or more is expected by Mr. Hatfield, who urged

that all persons expecting to attend make reservations at once with Walter H. Killam, of Merced, chairman of the encampment committee, which will assign the various reservations to Yosemite Lodge, Camp Curry and other resorts. Arrangements were made with the resort managers last week to take care of all persons who made reservations for the encampment.

Organization and the appointment of committees will occupy the opening day of the encampment. While the committees are at work the following day, the great body of delegates will have an opportunity to make trips to Hetch-Hetchy and other interesting sections of the Park. On the 24th, the committees will make their reports and the encampment will act on them. Election of officers will be held the 25th. The 26th will be devoted to the social side of the meetings, a big rodeo being held and a "grand potato polo" match with the Yosemite Post—only National Park post in the country—challenging all comers. At night there will be a big barbecue of steers donated by Merced county stock raisers. The solemn dedication of a Big Tree to an unknown hero will occupy the 27th.

SPRING LAKE DRIPPINGS
Most of the men in this neighborhood donated the day Friday to putting up a nice new fence around the school house and the Ladies furnished a fine dinner. Quite a nice time was enjoyed by all.

Little William and Leland Cheyne are sick with colds. Miss Ruby Schreiner returned to town after a visit of ten days with home folks.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complication.—Adv.

Built on the Principle of "Pure Protection at Reasonable Cost"

Guarantee Fund Life has built conservatively on the principle of furnishing Pure Life Insurance, without investment features. Its success is evidenced by \$140,000,000 in outstanding insurance, and \$4,000,000 in emergency reserves, which exceed its total death losses since organization.

Its protection is available to the best risks on a businesslike plan that saves thousands of dollars in a lifetime.
