Have You Any Doubt?

If you are in doubt about the integrity or business standing of our officers and promoters, ask any Banker in Klamath Falls

If you are in doubt about the safety or security of an investment in the stock of an Oregon corporation, ask your own lawyer to tell you how the Oregon "Blue-Sky Law" protects investors against the misuse of corporation funds.

If you are in doubt about there being any oil beneath the Klamath Basin, go to the Siemens-Blooming-camp-Campbell well and judge the evidence for your self.

If you are in doubt about what your money will be spent for, go out and see our Derrick and other construction work that is now going on, and judge for yourself if our stockholders money is being honestly and economically expended.

If there is anything you are in doubt about, don't hesitate to ask all the questions you wish, either by mail, or in person. Our proposition is open and above board. Every detail of our organization and management will be cheerfully explained to you.
