

# Emphasizing Lower Prices on Footwear

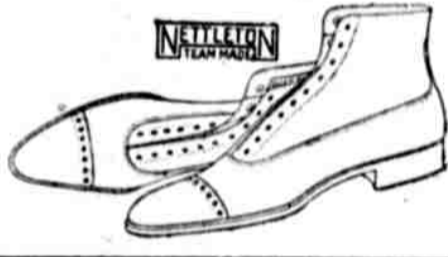

Men have been looking forward to a substantial decline in prices on shoes and we are prepared to give it to them. We are giving the purchaser advantage of every drop in the market price and will continue to do so. Shoes we have ordered are coming in now and are considerably cheaper. We are paying less for them and will charge less for them. Our stock of footwear, which we carried over from last fall and bought at the previous high price, has been marked down to where profit has entirely disappeared and loss has taken its place. This is not done out of the goodness of our hearts or any philanthropic incentive, it is the only thing any reliable business firm can do, under the circumstances. This applies to every article in this store.

We have a medium priced lines—Walk-Over and the Barry-Stratford, priced from \$8.50 to \$12.00. Other lines at lower prices.

## THE NETTLETON

We are showing as our best line of dress shoes which men will recognize as one of the best to be had. The name "Nettleton" on footwear is like "Sterling" on silver. None better and few as good.

WE CAN FURNISH WORK SHOES FROM \$3.50 UP. COME TO US FOR YOUR FOOTWEAR, EITHER DRESS OR WORK. WE HAVE THEM FOR EITHER MEN OR BOYS. YOU WILL NOTICE A WONDERFUL DIFFERENCE FROM THE PRICE YOU HAVE BEEN PAYING.
