IF

Should Come  
to  
**Klamath Falls**

WE think he would write  
A LETTER to Capt. Siemens  
AND thank him  
FOR what he has done  
TO promote Oil Development  
IN Klamath Falls!  
SOME people have nerve  
AND some have money  
AND Siemens has both  
AND it takes a lot of both  
TO drill an oil well.  
WE have the nerve all right  
AND we had quite a lot of  
MONEY, too  
BUT we spent our money  
BUILDING a rig  
AND buying machinery  
AND now we ask you  
TO take a chance too  
AND show your nerve  
AND put some of your money  
INTO Crater Oil and Gas stock  
AND help us to  
DRILL our oil well  
AND help Klamath find out  
HOW much oil there is  
IN the Klamath basin  
AND help yourself  
TO make the profits  
WHICH you ought to make  
IF oil is really there  
IN paying quantities.  
BIG men  
ARE putting big money  
INTO the game.  
AND if it's safe  
FOR big men  
TO make big bets  
IT'S safe  
FOR little men  
To make little bets, too  
WE thank you  
AND want you to
