

The Office Cat

BY JUNIOR

Ode to a Self-made Cleopatra
Bleedings on thee, little maid,
With thy cheeks of deeper shade
Than perhaps they ought to be,
Gill we're mighty strong for thee.

Hi!
I recently saw an off. exp. try for five minutes (approx. figs) to light a match by flicking it with his thumb nail, when it could have been done, by the old fashioned method, in three eights of one second. Trusting that this will help to strengthen your case I am,
Constantly thine,
CURLY McCUE.

Turn backward, O Time, by hook or by crook,
And give us one thoughtful, comparative look.

The scale commonly used by the Chinese, we are informed, consists of only five notes, which are called *kung, chang, kio, teni and yu.* Will our genial friend and adviser, Jawn Blankenship kindly check this up and, if found correct, slip us the pitch? We're trying to pick out the Doo H! Wage on our uke and wish to get started right!

Little Violet Burlinsons in a classified ad which runs thusly, to-wit:
WANTED—Man to drive Ford truck; must be a Christian. Apply at once, 343 Nassau St.
" 'Tis the work of the devil!" she hisses.

How Much?
A Red Bluff man was fined \$50 for calling a woman a "chicken."

Doc Johnson rises to ask "How much would it have cost him had he used the term 'old hen!'"

More Silly Stuff
A column a day, it's that and no pay. A column and not a line less. There may be no news, You may want to snooze, It's a column, or change of address. Fred Garich says marriage begins in courting and ends in court.

That Is Love
Jim Driscoll rises to remark that when a girl imagines that big boob with bristles on his chin and a breath like an old pipe is "The Greatest Thing in the World"—that is love.

He Knew What He Wanted
Banging the door shut behind him, Mr. Ut Consumer (himself) entered the florist's shop and glared at the clerk.
"I noticed your sign, 'Say It With Flowers,' out in front and thought I'd give you a trial order," he said.
"Well, we have roses, carnations, hyacinths and most anything you desire. Now what—"
"Nothing like it," growled Ut.
"What I want is a couple o' dozen skunk cabbages to send my landlord; He's raised me rent again!"

A LEADING CITIZEN
(Forest City Ark.) Times-Herald
Bill Hall had him a big old Arkansas chili Saturday, but he was able to go to court Monday. They can't have court without Uncle Bill is there.

One professor says high heels cause many divorces. Yes, a wife can't do much manual labor in the things.

LONE PINE ITEMS
The entertainment and box social given at the schoolhouse Saturday night netted \$82.35. The proceeds amounted to \$89.00. Mr. Sexton, county club leader, acted as auctioneer.
An ice cream parlor was installed in one of the ante-rooms, and ice cream and sundaes were sold.
Mr. Sexton and Mr. Lambert sang a duet, and responded to an encore.
Miss Fricke, county nurse, favored the gathering with an interesting talk on hygiene and Mr.

Sexton delivered an address on the value of the cooperation of parents in club work.
School was dismissed Monday so that the pupils could attend the circus. Those who attended from this vicinity were: August Buesing, Al Bunnell, Jim Stevenson, Mr. Kiger and family, and Hugh O'Connor.
