**4 Feet**

It has been estimated that the first thousand feet in our well will cost \$2.50 per foot and that that depth should be reached in one month.

All the machinery and equipment will soon be on the ground and active drilling will commence as soon as it can be set up.

We hope to have our well down 1000 feet by July 1st.

As soon as the money is in sight for that much work our stock will be withdrawn from the market and no more will be sold at the present PRICE.

Every day may be your last opportunity to buy at \$1.00 per share.
