Short Season For Sawmills

We must look the situation of the lumber business squarely in the face. There will be a short season, how short we do not know. One thing is certain, when the mills shut down there will be no more cheap wood. O. Peyton & Co. are delivering green slab, sixteen inch length, saw at \$8.50 per cord. The wise buyer will lay in his winter's supply now and take no chance on the mills closing down. Every customer who bought green slab early last year and had it dry when winter set in, is pleased. Many have placed their orders already. Buy early and place your orders now and be sure. O. Peyton & Co. O. PEYTON W. PEYTON 419 Main Phone 888
