THE LIBERTY

Beautiful Lola, the idol of Paris and the plaything of Broadway, brought every man of the "30 Club" to her feet on the occasion of their midnight banquet when she gave her remarkable oriental dance—every man except one—Doctor Jennings, who remained unmoved by the seduction and charm of her personality.

In a pique, she followed this doctor to the slums where he was fairly god-father to all the poor, and there, as "Nurse Elizabeth," won the heart of the man who hitherto had scorned her advances.

"The Plaything of Broadway" is a powerful story, and Justine Johnson, the most beautiful woman on the screen, has a wonderful presence. Don't miss this great picture at the Liberty theatre tonight.

There are many remarkable things about the big six-act special, "Skirts" which is to be shown at The Liberty Theatre tomorrow. One of the most remarkable of these is the fact that this de luxe special took nine months to make—total working time—and under conditions that are worthy of mention.

The entire troupe of Singer Midgets, famous the world over as one of the most distinct novelties seen on the vaudeville circuits, was specially engaged by William Fox. The Singer Midget troupe consists of nineteen tiny men and women, each a specialty artist in some branch of bright, clean entertainment. Several male members are phenomenal stunt and strong men.

Besides the Midgets themselves, Mr. Fox has secured the entire animal train of this troupe, as well as the complete special equipment carried by the Singer company on its vaudeville tours. These animals are all trained by the Midgets personally, and add greatly to the attractiveness of "Skirts."

THE MONDALE

Four of the best known screen and stage stars, thirty principals and a supporting cast of more than a hundred, are seen in the screen version of the famous story "Trilby," a Republic release which is to be shown at the Mondale theatre beginning Sunday, Clara Kimball Young, Wilton Lackaye, Chester Barnett and Paul McAllister are the featured players in this famous drama. The screen version was directed by Maurice Tourneur, one of the foremost directors of the screen.

The famous story, "Trilby" was first put on the stage in London in 1895 and Wilton Lackaye had the original role of the character "Svengali." Now that the drama has been given a screen version all the bigger scenes are included and every dramatic point of the entire story has been brought out by the fullest extent. This production ranks as one of the greatest screen triumphs of years, and Miss Young, who has many successes to her credit, is seen in the most dramatic role of her career.

THE STAR

That mother love may triumph even when science has failed is the story told in "The Woman in His House," a remarkable photoplay which will be the attraction at the Star theatre beginning Sunday. It deals with the sacrifice and devotion which went to the cure of a child who science said would always be a hopeless cripple. An all-star cast appears in this picture, who plays the role of the neglected wife and mother, and Ramsey Wallace, who has the part of the over-ambitious husband and father, a great physician.

An appealing story of the Canadian Northwest is promised in George Melford's latest production, "Behold My Wife!" which will be seen at the Star Theatre tonight. The picture was adapted from a novel by Sir Gilbert Parker.

The action centers around the incongruous marriage of Frank Armour, the younger son of an aristocratic English family, and Lall, granddaughter of an Indian chieftain, whom he meets while serving as an officer of the Hudson's Bay Company in northwestern Canada. On his return to the company's trading post from a hunting expedition, Armour receives word that his fiancée in England has jilted him, largely on ac-

count of his family's opposition to her. In a moment of drunken rage, Armour marries the Indian maiden and sends her back to England to humiliate his family. How, through the efforts of Frank's elder brother, she develops into a beautiful and polished young woman and how young Armour himself is regenerated forms the theme of the story.
