

WAR IN LABOR RANKS AVERTED

It was only through the political sagacity of the cooler heads among the crowd of delegates who met in session Friday night at the Central Labor Council that a nasty internal fight was averted, precipitated by the action taken by James Stephens when he tendered his resignation at the session on May 27 as president of the council, and the meeting Friday night was to pass on his reasons.

Some time ago, due to the election of Stephens as president when C. E. Bristol retired, the question arose over the point whether or not rotation did not govern, instead of open balloting of delegates from all the unions represented in the council, some insisting that it did, while others held that the by-laws called for a new election. The crowd with the latter opinion prevailed over the opposition and accordingly James Stephens of the culinary union was made president.

But the election of Stephens did not pacify the ones who felt that rotation should prevail and plans were made, it is said, to embarrass the Stephens administration and so well did it work, the resignation of Stephens was turned in for action on May 27.

When the matter was laid before all the delegates Friday night and the "steam roller" applied, the council demanded that the resignation be withdrawn and that Stephens continue in his present position. The opposition were all swept away by a vote of confidence 13 to 1, in the Stephens administration, and following the meeting, hatchets were buried and harmony held sway over the balance of the matters brought up for consideration.

Governor Improves Upon Suggestion Of Wheeler Editor

SALEM, June 6.—Governor Olcott believes every week in the year ought to be set aside as "Subscribe for our local newspaper" week.

The thought was inspired by a letter from G. B. Nunn, editor of the Wheeler Reporter of Wheeler, Ore., who suggests that because of the loyalty shown by the country press in supporting all the different kinds of "weeks" that are set aside for drives and campaigns of various kinds, it would be well to allow a week for the newspapers. The governor says he will go Nunn one better:

"There is much merit in what Mr. Nunn has to say," said Governor Olcott. "People generally have little realization of the numerous requests that are made of this office for the issuance of proclamations setting aside certain days or weeks for certain purposes. For every one of these requests that is granted there are probably from ten to twenty that are not. The press of the state at all times certainly has responded generously and liberally to every demand that has been made upon it. The enormous success of the various patriotic movements during the war must be, to a large measure, credited to this generous response, and the same is true of every successful effort since, and the state of Oregon is to be commended upon the patriotism and loyalty of those who publish the newspapers in Oregon, and I will go Mr. Nunn one better by suggesting that every week be designated as "Subscribe for your local newspaper" week.

WEATHER REPORT

OREGON — Tonight and Tuesday, fair.

NEW HEAD FOR 4-L

PORTLAND, June 6.—W. C. Ruzgitz of Portland, was today elected executive secretary of the Loyal Legion of Loggers and Lumbermen, to take office June 15.

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR THE COUNTY OF KLAMATH

Margaret Lucille Freeman, Plaintiff, Equity (No. 1298) vs. Guy N. Freeman, Defendant. Summons.

To Guy N. Freeman, the above named defendant:

IN THE NAME OF THE STATE OF OREGON: You are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the 25th day of June, 1921, that being the last day of the time prescribed in the order for publication of summons herein, and if you fail so to appear, plead, answer, demur or otherwise move within that time, for want thereof, plaintiff will apply to the above entitled Court for the relief prayed for in her complaint as follows:

For a decree of the above entitled Court forever dissolving the bonds of matrimony now and heretofore existing between plaintiff and defend-

Probe Wedding of Girl Bride

Authorities of Houston, Tex., are investigating the marriage of Viola Miller, who they say is only nine years old, to James M. Smith, who is 27. On the marriage license, Viola's age is given as 14.

BIG INTEREST IN QUEEN RACE

Since the announcement was made by the Fourth of July committee that a Goddess of Liberty would preside over the parade on that day, and that she would be chosen by a popular vote of the people, considerable interest is being aroused as to who she will be.

There are a number of candidates who will be sprung tomorrow when the ballots are distributed and the boxes placed where all can register their choice for this honor. The votes are sold at one cent each, each ticket sold calling for 10 votes, and, all that is necessary to be done is to write the name of the lady on the ticket and drop it into a box.

The ballots will be counted each day and the names of the contestants announced. A different set of counters will check each day to insure a fair count.

The money derived from the sale of the votes will be used to defray the expenses incurred in dressing the queen for the occasion as well as the beautiful float upon which she will ride. There are rumors abroad that there will be some spirited voting as choices are already announced in many places.

The honor of being the queen upon this occasion is well worth trying for and there will be many contestants, even "eleventh hour" surprises, at least one organization announces. Get your choices in early so the people can vote for them.

ant, upon the grounds of willful desertion by defendant of plaintiff for more than one year immediately previous to the commencement of this suit, against the will of the plaintiff and without her consent; because defendant has failed, neglected and refused and does now refuse to support this plaintiff, his wife.

This summons is served upon you, the said defendant, by the publication thereof in the Evening Herald, a daily newspaper, published in Klamath Falls, Klamath County, State of Oregon, and of general circulation in said County and State, once a week for 6 successive weeks, the first publication being made May 14, 1921, and the last publication June 25, 1921, by order of the Honorable Robert H. Bunnell, Judge of the County Court of the State of Oregon for the County of Klamath, made, entered and filed on the 13th day of May, 1921.

J. H. CARNAHAN, Attorney for Plaintiff. 14-21-2834-11-18-25

Will Wed Russian Prince

Miss Clarissa P. Curtis of Boston has announced her engagement to Prince Michael Cantacuzene of Russia, son of former Julian Dent Grant, granddaughter of General Grant. The young nobleman is a senior at Harvard.

School Exhibits Are Well Worth Seeing

Over 700 articles of cotton materials are on exhibit in the Central school building today and tomorrow and the exhibit is well worthy of the attention of the grownups. The list includes articles ranging from dainty little baby clothes to the finished summer dress of girls up to 15 years of age. Displayed on shelves are articles including linens neatly embroidered, children's undergarments for all sizes and ages, and light willow looking summer dresses that are superior to many sold in retail shops.

The work has been done entirely by students in the 5, 6, 7 and 8th grades, the 5th and 6th grades having devoted one quarter day to needle work, while the 7th and 8th grade students have used only quarter day to sewing, the other quarter to cooking. The work has been done under the personal instruction of Miss Fannie E. Virgil. Exhibit hours are from 9 o'clock each morning to 9 o'clock at night. The display will extend until tomorrow evening and a cordial invitation is extended to the public to see this fine exhibition of work.

The manual training department next door has an unusually fine display.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

VOTE FOR LOAN BILL TOMORROW

Tomorrow is the day when the voters of Oregon will decide whether the ex-service men of Oregon will be justly repaid for their efforts during the world war or whether the state will be listed as the one state who did not honor her veterans by bonus or loan privilege.

Voters on the soldiers bonus have the same qualifications as voters for state officers. Citizens 21 years old with six months residence in the state can vote. If the voter is not registered he can be sworn in by two free holders. It is not necessary to be a property owner to vote.

It is every voters' duty to come out to the polls tomorrow and exercise his legal right.

Remember the provisions of the soldiers bonus bill. Each veteran has the option of taking a cash bonus of \$15 per month for each month of service less 60 days between April 6, 1918 and November 11, 1919, or of taking a maximum loan of \$3000 secured by a first mortgage on real estate, the said loan to not be more than 75 per cent of the appraised value of the property.

The cost to the tax payer as set by legislative enactment is one mill. That is \$1.00 for each \$1000 of taxed valuation.

Get out and vote tomorrow for (302-X) Yes.

Record Course

Teeing off from Fort Morgan, Col., Miss Pauline Trumbo is going her way across the country to present her golf sticks to Fred and Harding in Washington, May 15. The Fort Morgan post of the American Legion presented the sticks to her.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has even been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.—Adv.

IF KIDNEYS ACT BAD TAKE SALTS

Says Bachache Is Sign You Have Been Eating too Much Meat.

When you awake up with bachache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have back-ache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

PROFESSOR BUDLONG PUTS TANLAC TO TEST

PROF. BUDLONG G. MANCHESTER, N. H.

It's an actual fact, I'm in good health for the first time in thirty years and I owe my present splendid condition to Tanlac and nothing else," was the emphatic statement of Prof. C. J. Budlong, well-known and highly respected citizen of Manchester, N. H., residing at 42 School St.

"Practically all my life I had had rheumatism, and when I say rheumatism I mean every word of it. It was all over my body and especially bad in my feet and legs and there were times when I couldn't get from my bed to my chair without help. And from the time I was a boy I couldn't sit down and eat a good meal without being in misery afterwards and I would have terrible pains around my heart and frequent attacks of palpitation and dizziness.

"I had a stubborn case of consti-

tion, was troubled awfully with blinding headaches and hardly knew what sleep was. My suffering had almost made a complete nervous wreck of me and I was so weak I wasn't worth a nickel as far as work was concerned. I thought my troubles had a life-long grip on me and was about as discouraged as a man ever gets.

"Well, before I had finished my first bottle of Tanlac I realized it was different from anything I ever tried. It suited my case exactly. And now for almost the first time since I can remember, I can eat anything I want and digest it. I haven't an ache or pain and have gained fifteen pounds in weight. I just feel good all over and am full of life and energy these days. Everywhere I go I talk Tanlac. It hasn't an equal."

Bradley Sells Shoe Store Interest

Frank L. Evans has purchased the interest of George Bradley in the well-known shoe firm of "Bradley-Evans Shoe Co.," and in the future will conduct the business along the same line under the firm name of "Evans Shoe Company."

Mr. Evans and Mr. Bradley have been associated since March 1, 1920 and have built up an excellent business and have enjoyed good patronage. For three years pre-

vious to association with Mr. Bradley, Mr. Evans was associated with the Sunset grocery and made many warm friends who followed him in his new venture. The retiring partner, Mr. Bradley, will, before locating in some city in the north, make an extended tour over Oregon and Washington.

MARKET REPORT

PORTLAND, June 6.—Cattle steady, 20 to 50 cents higher; choice steers \$8 and \$8.25; hog steady, prime light \$9 and \$9.25; sheep and butter steady; eggs firm.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of Limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire

alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks. A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always remember that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.
