TRAINED NURSE PUTS IT TO TEST

MISS BURLINGHAM SAYS THAT SHE AND SEVERAL PATIENTS WERE RESTORED BY TANLAC—HAS TAKEN IT HERSELF WITH FINE RESULTS.

Miss Hazel M. Burlingham, 960 Francisco St., Los Angeles, Cal., a trained nurse, after having been convinced by actual test of the remarkable results following the use of Tanlac, feels she owes a duty to others to give them the benefits of her experience with the medicine. Miss Burlingham says:

"Last spring I came off a long, hard case and was very badly run down and weak. I felt the need of something to build me up and bring back my strength. I had heard friends and patients praise Tanlac so highly I got some and by the time I had taken three bottles I was feeling as fine and was as well and strong as I ever was in my life and I have been in the best of health ever since."

"Since I have found out by personal tests that it is a medicine of unusual merit I have suggested it in several cases with gratifying results, and in one case of chronic stomach trouble the benefits following were nothing short of remarkable and the patient is now entirely well. I do not hesitate to recommend Tanlac in cases where there is need of a good system builder or in cases of stomach trouble, especially those where formation of gas produces disagreeable symptoms."

"Too Happy for Words!"

"We're too happy for words," said Samuel Compers, president of the American Federation of Labor, when this picture was snapped just after his marriage in New York, to Mrs. Gertrude A. O. Neuscheler, pianist and painter. He is 71 and she is 35.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat If You Feel Back-ache or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

Cooking Electrically the ideal method

Electrically equipped kitchens hold no terrors for the housewife. They are cool, cozy, and comfortable in the summer. They eliminate the drudgery, the grime and the nerve racking tension caused by wood stoves. The expense is surprisingly low. Let us tell you about it.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good drugist and use it like cold cream.—Adv.

HAPPY WOMEN

Plenty of Them in Klamath Falls, and Good Reason for It.

Wouldn't any woman be happy, after years of backache suffering, Days of misery, night of unrest, The distress of urinary troubles, When she finds freedom. Many readers will profit by the following:

Mrs. H. W. Grimes, 441 9th St., Klamath Falls, says: "I can recommend Doan's Kidney Pills as a reliable remedy for I have used them with benefit. My kidneys were weak and I had severe backaches and a soreness over my kidneys. Mornings I felt dull and languid and my kidneys didn't get right. Doan's Kidney Pills were just the remedy to correct the trouble. They relieved the backache and all signs of kidney complaint." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Grimes had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.
