## WALKS TEN MILES A DAY

PORTLAND MAN SAYS TANLAC BUILT HIM UP SO HIS WORK NEVER TIRES HIM NOW.

"I don't believe that anybody in Portland feels any better than I do now, but it's only due to Tanlac that I can make this statement," said I. A. Russell, 318 E. 39th street, Portland, an inspector of stations for the Portland Railway Light and Power company.

"I was in a terribly weak and run-down condition, and my appetite was so poor that I ate little more than enough to keep me alive. I had a tired, worn out feeling all the time and could scarcely hold up under the least little exertion. I didn't have ambition or energy enough to even want to walk around, and I simply felt miserable nearly all the time.

"One day a friend of mine told me about the remarkable good Tanlac had done him and he advised me to try it. Since taking three bottles of Tanlac I am feeling altogether like a different person. I have an excellent appetite and have so completely regained my strength that I walk from eight to ten miles every day at my work without its tiring me at all."—Advertisement.

and the 1st day of January of each year until the maturity of said bonds.

The Board of Directors reserve the right to reject any or all bids offered. G. J. HILYARD, Secretary of the Board of Directors of Enterprise Irrigation District. M19-J20
