a born diplomat to induce people to believe it.

About the best way to induce a woman to keep a secret is to keep it to yourself.

Frankness makes people disagreeable, but all disagreeable people are not frank.

It sometimes happens that two men remain friends for life—if they never have occasion to try to prove anything to each other.

The proposal to reduce the size of paper currency raises the question, whose pockets are o'er full of the stuff?

Indicted

Sidney J. Catta, former governor of Florida, has been indicted by a federal grand jury at Pensacola, Fla., in connection with the government's investigation of peonage labor.

CONTRACTOR IS HIGHLY ELATED

PORTLAND MAN DECLARES HE CAN NOT SAY HALF ENOUGH FOR THE GOOD TANLAC HAS DONE HIM—FEELS LIKE A NEW MAN.

"What I needed was just an all around building up and Tanlac has done that very thing for me," said E. P. Frontress, well-known contractor, of 316 Russell street, Portland, Ore.

"The fact is I hadn't felt well in four years. I had no appetite and even what I did manage to eat didn't seem to do me any good. I was constantly suffering with severe headaches, and although I managed to stay on the job I was losing strength right along and had little energy for my work. I couldn't sleep well, either, and was in a badly run-down condition.

"A number of my friends had taken Tanlac with such splendid results that I began taking it myself. I have an excellent appetite now and eat a good square meal every time I sit down to the table. The headaches have all disappeared, my sleep is sound and refreshing and I have regained my strength and energy. I just can't say half enough good of Tanlac for what it has done for me, and will always give it my highest endorsement."—Adv.

The woman who hesitates is—last. Any man can tell a lie, but it takes a partisan a man who is willing to let his favorite newspaper lie to the limit in the interest of his party.

Ruffles

Ruffles give this pink voile dress distinction. They can be hemstitched or finished with pique edge. Half-inch tucks leading from the shoulder line up into the waist, giving the necessary fullness.

Home-made ice cream —can anything be more delicious?

Easy to make with Carnation Milk

Four cups Carnation Milk, 1 1/2 cups sugar, 1 cup water, 1 1/2 tablespoons vanilla. Carnation Milk is always ideal for making ice creams of any sort, because of its purity and richness. Eggs are not needed. For a plain vanilla ice cream, mix the sugar and a cup of the Carnation Milk together and let come to a simmering point; cook for five minutes in this manner; remove from fire; when cool, add remainder of the milk and water, and the vanilla. Freeze. This will make about a quart and a half.

This summer, try making more frozen desserts at home. They are so delightful for warm weather eating, and so much more pleasant to make than cooking hot dishes.

Send for Carnation Cook Book containing 100 practical tested recipes. Carnation Milk Products Co., 622 Railway Exchange Bldg., Portland.
