PORTLAND, June 21.—Strawberries were selling at \$1.10 a crate in retail markets here today. Many growers were peddling the days picking from house to house.

PLANE FALLS, CREW SAVED
NEWPORT NEWS, June 21.—A navy seaplane, bound for tests at sea, fell in Hampton Roads and was burned. The plane carried ten men, all of whom were rescued.

FAMOUS OLD GERMAN CASTLE

Schloss Elitz, Built in the Twelfth Century, the Center of Some Famous Legends.

The Schloss Elitz, famous old castle on the River Moselle, destroyed by fire recently was the only castle of the scores along the Moselle that had never been captured by storm, never surrendered and never despoiled. It was built early in the twelfth century, and the territory it governed became famous because of the "peace of Elitz," a peace that was regulated by an oath taken by all subjects of the ruler, and by his own family. The oath provided that anyone who killed or injured anyone else should be banished forever. Guests were obliged to take the oath upon entering the castle, and were governed by it as long as they stayed in the territory.

The castle had four chateaux, one each for four branches of the family, and these circled the castle house itself. Many legends grew from the old walls, the best known being that of Agnes, a beautiful girl who refused to wed with a rival lord, and when the lover appeared at the castle gates with an army to seize her she donned armor and led the attack that resulted in his death and the defeat of his army. As the soldiers fled, however, a bowman turned and sent an arrow that found a place in the heart of the girl. Her armor is still shown at the castle with the hole in the breast where the arrow entered.

Varieties of "Smokes."

The Burmese maidens do exactly what Kipling says they do in his "Road to Mandalay," for they smoke a cigar ten inches long and as fat as a good-sized candle, and with a white paper covering. The longest pipes known are those used by the natives of the Belgian Congo. These pipes have stems ten or twelve feet long, with small bowls. If matches were used to light them a friend would be needed to apply the flame, but the native gets his light by merely thrusting the bowl into his camp fire. In Liege, in parts of Ireland, and in the southern United States, pipe-smoking by old women is common.

Kansas ants simply cannot be kept down. When fly paper was used to keep them from eating up houses, the ants built a road of dirt across it.

Many Expected to Seek Governor's Job

(Continued from page 1)

will be a candidate nor whether Colonel George Kelly, member of the Port of Portland commission and business man, will be a candidate. Both Baker and Kelly talk is strong in Portland and sporadically about the state.

Senator I. L. Patterson has everyone guessing except those who are on the inside. The senator is rarin' to go for governor. But he is a close personal and political friend of Mr. Olcott. Whether his ambition to be governor is strong enough to cause him to discard sentiment and run against Olcott is a question. There is a rumor that Patterson will stay out of the gubernatorial race and become an aspirant for the republican nomination for state treasurer. Should Olcott not be a candidate, it is said the administration support would go to Patterson.

Friends of Colonel George A. White, adjutant general of Oregon, have been importuning him for several months to seek the governorship, but the colonel is said to have discouraged their efforts. Before the war White was sometimes mentioned as a gubernatorial possibility.

Kay Might Run
T. B. Kay, former state treasurer, and member of many sessions of the legislature, is under consideration. Kay's record for retrenchment and economy in the last legislature gave him strength among farmers' organizations and a percentage of business men. He would be able to poll a large vote in western Oregon both because of his record and his acquaintance.

Senator Jay Upton, of Prineville, is among the latest to be talked of as a gubernatorial possibility.

The halls of congress where he might sit in place of Nick Sinnott is believed to be more of a lure to Senator Roy Ritner of Pendleton than is the governor's office. There is no talk relative to the governorship. L. J. Simpson of Coos Bay is still considered a gubernatorial possibility. A new figure now oc-

cuping some attention is Judge Thomas J. Cleaton of Portland. It is said he might aspire to the governorship; or try to beat Pat McArthur for the congressional nomination.

Ryan for Treasurer
As for the office of state treasurer recent gossip has it that O. P. Hoff will be a candidate for reelection. Senator Thomas Ryan of Oregon City, who was deputy under former State Treasurer Kay, and whom Hoff barely defeated in 1918, is looked upon as a certain entrant. Should Senator Patterson not run for governor, he may run for treasurer.

In the first congressional district which W. C. Hawley has represented for years at Washington, L. E. Bean of Eugene has designs on the place. In the second district Senator Ritner doubtless may try to unhorse Mr. Sinnott. Ritner is also talked of for national committee man to succeed Ralph E. Williams.

Much interest is beginning to center on the third district, Multnomah county. Information comes to the surface that Barge E. Leonard and Maurice Crumpacker want McArthur's place and may try to get in the next election. Judge Cleaton is mentioned also in this connection as well as a possible candidate for governor.

May Run Teal
From the democratic camp it is said that either Lester Humphrey's, United States attorney and overseas veteran, or Joseph N. Teal, who was a member of the United States shipping board, will be put forward governor. Colonel Creed Hammond, soldier and banker, had been mentioned until he indignantly asserted that no longer would he be on the registration books of the democratic party.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Back-ache

The American men and women must guard constantly against kidney trouble, because we eat too much and all of our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.—Adv.
