CALIFORNIA NEWS

REDDING, June 22.—That it is dangerous to pick up a stranger on the road and give him a lift in your automobile is shown again by the experience of W. H. Cook of Chico at Weed Thursday night. Cook was traveling by automobile from Ashland to Chico.

After giving a stranger whom he picked up on the road a ride of 100 miles and also giving him a good meal, Cook stopped out of Weed to fix his automobile. While he was on the ground the hobo hit him over the head with a rock. It felled Cook but did not knock him senseless. As he started to get up, the hobo, who held another rock in his hands, threw it to strike Cook on the head, the latter warded off the blow with his elbow. The hobo, taking fright, ran away.

Creditors Plan to Reorganize Moline Plow Corporation

Reorganization and refinancing of the Moline Plow company is being undertaken by its creditors. Two committees have been formed, one to represent the banking and merchandise creditors and the other to act for holders of the company's \$4,000,000 serial gold notes, of which \$1,000,000 fall due September 1.

Both groups are being asked to deposit their claims. The committee representing the banks and merchandise creditors is headed by Frank O. Wetmore, president of the First National bank of Chicago, while the committee to act for the note holders is led by Ronald M. Byrnes of New York.

The progressive reorganization results from the business depression which began last year and which has been particularly severe in the agricultural implement and motor industries.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that

you darkened your hair, as it does so naturally and evenly. IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and

poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complication.—Adv.
