**"WHY ARE YOU WAITING?"**

In clearer language than we could use, in another part of the paper, appears an editorial that in mighty few plain words tells what is wrong with business—or, rather, what is wrong with the business man's diagnosis of business.

Read the Burroughs Adding Machine company's advertisement (page three) today. Mr. Manufacturer, Mr. Wholesaler, Mr. Retailer and Mr. and Mrs. Customer, and see if it's not the gospel truth.

If it were possible to circulate two silver dollars rapidly enough they would feed the entire population of Klamath Falls for a day, providing all ate plain food. Of course it's not possible to circulate money so quickly, but even in practical economies it's a proved fact that a little money will go a long ways if it's kept moving.

The Burroughs people prove their faith by their works. We commend today's advertisement to the notice of every buyer and seller that reads *The Herald*, whether they deal in one dollar's worth or thousands of dollars' worth in one transaction.

Make your money serve you, and thus serve the general welfare. Don't let money—and futility, baseless fear—master you.

**ASK FOR APPRAISERS TO ACT ON SOLDIERS' LOAN**

A petition is being circulated by Paul T. O'Dowd and Mrs. L. B. Hague for the appointment of Captain J. W. Siemens, Louis K. Porter and M. L. Johnson as appraisers of property on which application will be made for state loans under the new soldiers' aid law. The local appraisements, it is understood, would be subject to the approval of the state commission for the administration of the loan act.

**NO COUNCIL MEETING; INSEPARABLES ABSENT**

There was no council meeting last night, due to lack of a quorum. Councilmen West and Hawkins and Mayor were present. Councilmen Vollmer and McCollum were out of town. Although Councilman Bogardus is said to have been in the city, he failed to appear.

**SLAYERS MUST HANG**  
 SALEM, June 28.—Jack Rathie and Elvie D. Kerby must hang for their part in the murder of Sheriff T. H. Taylor at Pendleton, July 25 last, according to a decision of the state supreme court today, affirming the lower court sentence. The men have twenty days to file a petition for rehearing.

**IN OUR NEW HOME**

We have purchased the property at the corner of Sixth and Main streets, which we believe to be one of the best locations in Klamath Falls, and on Wednesday morning, June 29th, we will be located in our new quarters, and be the only bank in the city owning and occupying its own home.

We believe that our growth during the seven months that we have been in business fully justifies us in purchasing this property and thus establishing ourselves permanently in Klamath Falls. Our resources are now over a half million dollars, which we consider a remarkable growth.

We will be glad to meet all of our friends and customers in our new home, and assure them of the same careful service that we have rendered in the past.
