OIL CO.

OFFICES 423 MAIN ST., NOW OPEN

*If you take any interest in Oil Development call at  
N. C. O. Office.*

*If you have any questions to ask about Oil or Oil Development, they will  
be answered at N. C. O. Office.*

*We want to make our office*

*Headquarters for Oil Information*

*and up-to-the-minute news of all Oil Development in the Klamath District.  
As rapidly as the data can be compiled and maps prepared we will be able to display  
topographical maps showing the locations of all wells drilling, the acreage holdings of  
all companies operating and the progress being made at each well. Our officers,  
directors, management and office force will at all times do everything possible to  
promote the interests of Oil Development in the Klamath District, and to make  
available to the public all obtainable reliable information.*

*We are offering our Treasury Stock for public subscription at \$1.00 per  
share, and court the fullest investigation of our methods, plans, operations and  
holdings.*

**IF YOU WANT TO HELP  
DRILL A WELL  
BUY**
