never have a second childhood is
because they never emerge from the

Women weep at weddings, not be-
cause they are brimming o'er with
grief; not because they feel that it
is another change gone—not for any
reasons assigned in the past. They
weep because subconsciously they are
aware that some day their sons will
be enmeshed in the eternal snare.

THAT'S OUR IDEA in making
CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package!
It's the best packing science has devised to keep
cigarettes fresh and full flavored for your taste.
Heavy paper outside—secure foil wrapping inside
and the revenue stamp over the end to seal the pack-
age and keep it air-tight.

And note this! There's nothing flashy about the
Camel package. No extra wrappings that do not
improve the smoke. Not a cent of needless expense
that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on
merit alone.

Because, men smoke Camels who want the
taste and fragrance of the finest tobaccos, expertly
blended. Men smoke Camels for Camels smooth,
refreshing mildness and their freedom from ciga-
retty aftertaste.

Camels are made for men who think for them-
selves.
