PUT IT TO WORK

There is hardly a home in the county that is without an idle dollar. Thousands of them are there "just because." Other thousands are there because their owners got scared last winter and began to hoard. As this timidity wears away some of this hoarded money is beginning to find its way back into the channels of business through the banks. This is evidenced by the big gain made in deposits by the three banks of the city during the last 60 days. If this gain could be doubled during the next 60 days, there would be no tight times in Klamath county, for it would put enough money in circulation to care for the demand.

Then who is to blame for the scarcity of money in this county? Every person who has a dollar in his pocket, on the shelf, in her stocking, in a trunk—anywhere but in the bank. There is not a business house in Klamath Falls but what keeps more money lying idle in its safe and cash drawers than is necessary. Every dollar thus idle adds its weight to business depression.

The thing to do is to put this money to work. Put it in the banks. Use a check book. A check is just as good and just as convenient as the cash. It is a great deal more businesslike and always answers as a receipt. Take inventory of your idle dollars and make them work. The faster you make them turn over the more they will bring you in, the better it will be for the community and the sooner will business hit its old-time gait.

At the Theaters

THE STAR

One of the most charming figures in the new Paramount picture, "The Charm School" starring Wallace Reid, which will be shown at the Star Theatre tonight, is Lila Lee, who plays the leading feminine role opposite Mr. Reid.

Miss Lee will be remembered as having played with Mr. Reid in

"Hawthorne of the U. S. A." Since her remarkable work in such famous pictures as C. B. DeMille's "Male and Female" in which she played the little scullery maid, and later in William De Mille's production "The Prince Chap," the popularity of the little actress has increased by leaps and bounds.

THE LIBERTY

Here is a story rich with the accents and odors of the Big Woods; dramatic with the crash of falling trees; filled with muscular action and daredevilry.

"King Spruce" for ten years has been one of the foremost novels of the great outdoors. All the big motion picture producers have bid for it.

It contains a sweet, clean love story. It shows the sweep of a great forest fire. It contains hard fighting and breathless adventure. It is enacted by a cast of fine players who feel the story they are acting. At the Liberty Theatre tonight.

Autographic Brownies

FRANKLY we consider the Autographic Brownie one of the "best buys" that our photographic department has to offer—and that is a real tribute.

Any one, however, can see value plus price considered in an efficient picture-maker fitted with carefully tested lens and shutter that folds like a Kodak, and like a Kodak has the autographic feature.

Who said truth was stranger than fiction?

"YOU'RE FIRED," said the editor.
"UNLESS YOU can dig up.
A LIVE story today."
SO THE cub reporter.
DISAPPEARED FOR hours.
BUT WHEN he recovered.
FROM HIS trance, he had.
A STORY—here it is.
OUR DEPUTY constable.
WAS WAKENED by the 'phone.
AND A shrill voice cried.
"FOR THE love of Mike.
BEAT IT here quick.
AND NAIL a nut.
WHO'S TALKING wild.
IN THE cigar store."
THE LONG arm of the law.
PUT ON his pants.
SPED TO the scene.

AND AFTER a brief.
BUT TERRIFIC struggle.
MADE THE pinch.
AND WHEN interviewed.
BY OUR star reporter.
GAVE OUT this statement.
"HE'S A loony, all right.
THE ASYLUM says, by Heck.
THE WORST they ever had.
WHY THE poor nut.
CLAIMS HE can copy.
THE SECRET blend.
OF THE cigarette.
THAT SATISFY."

NO—the blend can't be copied. It's one way of blending fine tobaccos—both Turkish and Domestic—that the other fellow can't get onto. That's why Chesterfields "satisfy," and that's why only Chesterfields can "satisfy."
