

The Office Cat

BY JUNIUS

To Whom It May Concern

Sir: Certain facts are offered herewith to be presented to the public. The undersigned has many times been called a fisherman by the people of our community. He has earned this title by fishing in every creek, lake and pond in the state of Oregon at every opportunity.

During the twenty years that the undersigned has been fishing in this state he has hauled to the fishing grounds, and supplied with tackle, bait and priceless knowledge no fewer than 17,866 fishermen of this vicinage.

The undersigned has always had a car to go to the fishing grounds and has had necessary bait, tackle, information and luck.

Now, sir, it befell the undersigned that for the last week, and for the first time in many years, he was without means of transportation, as his car was undergoing certain repairs necessary after so many trips to Rocky Point.

The undersigned was undismayed as he knew 17,866 fisherman who were equipped with cars, and who would gladly accompany the undersigned to the fishing grounds upon invitation. This, sir, is what the undersigned thought in his innocence.

Yesterday the undersigned stood on the corner of Eighth and Main streets and asked twenty-six (26) fishermen to haul him to the lake for a night's fishing with the following result:

Doc Powell told the undersigned that he had to leave at once for Portland.

Louis Hoagland told the undersigned that he had to work.

Barney Chambers told the undersigned that he had company.

Bill McNealy told the undersigned that he had friends coming from out of town.

Nels Rounsvell told the undersigned that he had just become a father-in-law.

Jack Thompson told the undersigned that he had an important engagement.

Frank Andrews told the undersigned that he did not care to go.

Charley Hall told the undersigned that he had just returned from San Francisco and was busy.

Vance Hutchins told the undersigned that he had a business deal on.

Frank Robinson told the undersigned that he had a previous engagement.

Phil Pope told the undersigned the same story.

George Metz did otherwise. This does not complete the list, but it will give the public, sir an idea of the troubles of the undersigned in seeking a day's fishing. The undersigned was too discouraged to ask Judge Kuykendall fearing for the result.

The undersigned begs to report that his car is again in running order, and that he is going fishing. Respectfully submitted this 20th day of July, Anno Domini, 1921. AMOS TASH (The undersigned)

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

I had dull, nagging backaches and a soreness across my kidneys. My kidneys didn't act right so I used Doan's Kidney Pills. They soon stopped the backache and relieved all signs of kidney trouble. Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Keller had. Foster-Milburn Co., Buffalo, N. Y. Herald classified ads pay you."

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.
