Seek to Have All Members of 91st. Present at Reunion

LOS ANGELES, Cal. July 23.—A strenuous effort to pull every veteran of the 91st division who is not in the hospital or on a honeymoon on September 24 and 25 to the annual reunion of the division in Los Angeles on those dates began this week with the enlistment of a full company of newspapermen to spread news of the arrangements for the reunion as they are made. The publicity committee, headed by Major J. W. Sutphen, who served with the 362nd infantry, is being enlarged by the addition of a representative in each city and village in the Ninth Corps Area—California, Montana, Oregon, Washington, Idaho, Nevada and Utah. As special railroad rates are obtained, distinguished guests invited, arrangements made for regimental banquets and other entertainments in Los Angeles members of the committee will be bulletined and they in turn will see that the information is spread broadcast through their respective communities.

SOCIETY

Harry Goeller and Floyd Meadows were the inspiration Monday night for a double birthday party given by their wives at the Goeller home on Pine street. Dancing was the amusement indulged in during the evening and dainty refreshments were served by the hostesses. Those present were: Mr. and Mrs. Percy Wells, Mr. and Mrs. E. J. Mayer, Mr. and Mrs. Joe Brett, Mr. and Mrs. W. W. McNeally, Mr. and Mrs. Louis Hoagland, Mrs. Roy Orem, E. T. Ludden, Misses Barbara Goeller, Elizabeth Sullivan, and Faye West.

The Missionary Society of the Presbyterian church was entertained Friday afternoon at the home of Mrs. Arthur Rice. Mrs. E. S. Henry acted as leader for the topic, "Freed Men". The hostess served dainty refreshments at the close of the meeting.

Tuesday evening Mr. and Mrs. Allen B. Jones entertained at a dinner party at the White Pelican hotel, honoring their cousin, Miss Mabel Goetz of San Francisco, who is visiting them for a few weeks. The dinner guests were: Misses Mabel Goetz, Helen Condon, June Dick, Messrs. Robert Ryan, Charles Gaddes, Charles Hill and the host and hostess. After dinner the party enjoyed a ride down the lake in Mr. Ryan's motor boat.

Society this week devoted the greater part of its time to the flower show and sacrificed other forms of entertainment to make it a success. Entertainment for out of town guests and society meetings constituted the most of this week's events aside from the show.

Mrs. G. W. White and daughter, Mrs. William Immel, both visiting here from California, were guests of honor at a small afternoon tea given by Mrs. L. L. Truax at her lovely new home on Fourth street, Wednesday. Those present were: Mesdames G. W. White, William Immel, and son, John, Charles I. Roberts, Oscar Shive, Frank B. Robinson, John Sargent, A. M. Worden and the hostess.

Mr. and Mrs. White will leave the first of the week for Marshfield and from there will return to their home in Riverside.

Miss Veva Martin's birthday Thursday was the occasion of a surprise party planned by her sister, Miss Dortha. A few friends were asked in for the evening and a delightful little dance resulted. Those present were: Misses Geraldine Watt, Marie Rambo, Dortha and Veva Martin, Martin Ramsby, Ivan Houston, Kenneth Thayer, and Kenneth Perry.

The Happy Hour Needle Work club will meet next Tuesday at the home of Mrs. R. A. Emmitt at 2:30 o'clock.

A number of the younger people from this city are planning to attend a dance at Eagle Ridge tavern, leaving town in boats this evening.

A great deal of the credit for the success of the Flower show Thursday, which many society matrons of the city sponsored, is due to Mrs. H. N. Moe, chairman of the committee which arranged the whole affair. Mrs. Moe was ably assisted by Mrs. G. A. Krause, Mrs. P. A. Alhertson, Mrs. S. E. Martin and Mrs. M. S. West. Many beautiful and well kept gardens of the city contributed their most choice blooms for exhibit, with the philanthropic hope that such example might encourage less interested people to make an effort next year to make Klamath Falls a more beautiful town.

The Graduate Nurses club met on

Wednesday afternoon as the guests of Mrs. Guy Garrett at the Central hotel. A very pleasant time was spent by the nurses and dainty refreshments were served. Those present on this occasion were Misses Benson, Henrietta Koch, Haslett, Maguire, Louise Riggs, Rose Reed, Mesdames J. H. Carnahan, Mallett and Callaghan. It was decided that the next meeting of the club should be next Tuesday. At this time the nurses and their friends will have a picnic on Upper Klamath lake.

On Thursday morning, Miss Jessie Maguire was hostess at a swimming party and later a luncheon. Her guests were Mesdames J. H. Carnahan, Callaghan, Misses Henrietta Koch, Haslett, Rose Reed, Louise Riggs, and the hostess.

One of the most delightful affairs of the week was an at home given by Miss Veva nad Dortha Martin and Miss Marie Rambo, honoring the Misses Martins' house guest, Miss Josephine Fink, of Berkeley, on the eve of her return to California. The Martin home on High street was beautifully decorated in old fashioned bouquets of snapdragons, larkspur, baby breath and Shasta daisies. The three hostesses and their guest of honor were in the receiving line, becomingly attired in formal gowns. Musical numbers were given throughout the afternoon and tea was served from the dining room. Mrs. S. E. Martin poured.

Those invited were: Misses Beatrice and Katherine McAndrews, Margaret Worden, Maybelle Leavitt, Lilly and Myrtle Jones, Bess Kibgore, Marjorie Delzell, Clara, Myler, and Esther Calkins, Mary and Anne McCormack, Geraldine Watt, Grace Hoagland.

School Building And Improvement Jobs Are Started

Considerable work is being taken care of now by the Lorenz company. The Union high school job at Malin which was contracted for approximately an outlay of \$4,900 by the school was started yesterday in the local tinshop. There is a large amount of sheet metal work on this particular job. The Chiloquin school board awarded Lorenz the \$4250 contract for the plumbing, heating and sheet metal work of that school today with a stipulation that the work must be finished by November 1.

The contract for the improvement of the Mills and Fairview schools will be let Monday by the local school board. The new Pelican Bay school addition of four rooms is to be completed in time for use this fall.

The industry of producing motion pictures in the United States represents an investment of \$500,000,000. From an Indian's standpoint, it's America for everybody but the Americans.

DORRIS HAS "HOTTEST DAY;" MERCURY AT 94

DORRIS, Cal., July 23.—Mercury mounted skyward yesterday in Butte valley and in Dorris particularly, reaching a maximum temperature of 94 degrees in the shade, constituting the record hot day for 1921. Crops, which have been forced along to maturity by unusual moisture, are showing the golden shade of ripeness under the July sun.

Yesterday drove pedestrians of idleness to shady nooks and to places where cooling refreshments could be procured, while the general rule seemed to be an inclination to get rid of as much as possible of the incumbrance of clothing. Conventionality of dress was

Speaking of Good Pianos There is the PACKARD at the Shepherd Store. There are pianos and pianos; for some of them you are asked to pay all they're worth; others there are that are worth all you pay for them; and among these are some few that are so unique in the actual VALUE built into them by conscientious and proud makers that you get FULL value, plus! What we might say in a full page ad, would add little significance; the lovely Packard is so well regarded from coast to coast that we don't have to say much. In short, the Packard is one of the few instruments that appeal to people who KNOW piano value and are willing to PAY for it! Earl "Music Headquarters" Shepherd Co.
