LEAGUE FINDS ONE GAME EACH SUNDAY PLENTY

A meeting of the managers of city league took place last night at the California Oregon Power company office and among the many conditions brought up for consideration, a "ban" was taken on the number of games to be played on Sundays hereafter. There will be one full nine inning game played starting at 2 o'clock and two teams in the league will be given a "day off."

The decision to make this change came about when it was found that as a general rule, the fans appreciate a full nine inning game better than two seven inning games also, as the games usually failed to start on the hour announced, most of the afternoon was gone before the end of the second game, making the season a long one for the spectators. Another reason too, there are many followers of Isaac Walton who delight in the pursuit of the finny tribe and this change will give them a chance to gratify their whim.

Another matter taken up was the question of paying the players according to the rule outlined at the beginning of the season and the prorata plan will be used in making a distribution of the money in the city league which was set aside for that purpose. The treasurer was instructed to draw checks for the players who are entitled to this distribution. The baseball "ghost" will soon make his appearance among the players and this time, this "financial ghost" will be received with extended hands instead of arms.

To make up a deficit which the Fourth of July games created, a dance will be given sometime in August and it is expected that the minus portion of the expense can be raised satisfactorily in this manner. A committee to take care of this matter was appointed and a suitable place will be found for the "baseball benefit."

The city league feels rather elated over the financial returns from the games this season and the managers are proud of the fact that the business men have not been called on for contributions in cash to carry the league through its initial period. In the past a baseball team has always drawn heavily on the merchants but this year not one cent has been asked for from anyone. Perhaps the only

excitement made on the merchants was for advertising space on the fence and this money obtained was used to build a new and repair broken or new fence necessary to enclose certain portions of the field. With a successful season next month, the liquidation of the indebtedness of the league, and a series of well patronized games for the balance of the season, the managers of the league ask for no better encouragement, during the first year.

Handlers of High Voltage to Meet Plumbobs Sunday

Sunday, July 31, two good old rivals will meet at Modoc park for a full nine inning game of baseball, and just what will happen when those two scrappy city league teams meet is beyond prediction. The teams chosen for this occasion at the meeting of the managers last night were the Ewaunna and Copcos. The game will be called at 2 o'clock sharp.

The Copcos have taken on many

airs since their arrival in the social row of the "400" group and of course it is natural that the Plumbob team has no great amount of admiration for "one of the cellar teams"—(at least according to the report of the Plumbobs, the Copcos are merely sunning themselves in the public eye temporarily.)

The Copcos, however, maintain that now that they have conquered the haughty Jewels and humbled the Ewaunna, as well as the Plumbobs this game Sunday can be sized up in only one way—the Copcos will cop the plums. But the Ewaunna only smile and use the word, "Wait until Saturday!"

ABOUT THE man who had.
TO SHOOT his dog.
AND A friend asks.
"WAS THE dog mad?"
AND THE first guy.
SAYS, "WELL, he wasn't.
SO DAMN well pleased."
AND A chap told me.
THAT THIS described.
SOME SMOKES he'd tried.
THEY DIDN'T exactly.
MAKE HIM mad.
BUT HE WASN'T.
SO VERY well pleased.
OF COURSE that was.

MY CUE to help him.
A REAL cigarette.
AND AFTER he'd taken.
A GOOD pull or two.
INTO HIS constitution.
HE GRINNED and said.
"THE ONLY way these.
WILL EVER make you mad.
IS THE way.
YOUR FRIENDS eat 'em up.
I ONLY hope you've got.
A COUPLE of packs.
FOR THEY sure.
DO SATISFY."
