Youngster Named After Automobile

Dodge Brothers Inc. is an institution, but Dodge Brothers is an individual.

Which, though it sounds somewhat involved and perhaps even enigmatic, is but a very simple and very truthful statement.

Fifteen months ago a son was born to Mr. and Mrs. George E. Brothers, Cleveland, O. Mr. Brothers, it happens, is a salesman for the Barnes Motor Co., Cleveland dealer for Dodge Brothers. He had been selling the Dodge Brothers car a long time and was exceedingly proud of it. He was also exceedingly proud of his son. So he decided on a simultaneous tribute to the two. The youngster was christened "Dodge."

Master Dodge Brothers is a very bright young gentleman and gives promise of achieving a renown quite in proportion with the weight of his name.
