

# JEWELS CLASH WITH PLUMBOBS TOMORROW P. M.

The second nine-inning game to be played in the city league will be started at 2 o'clock sharp at Modoc park tomorrow, when the Plumbob and Jewel teams meet. Both teams are on edge for this contest, and from indications at the team practice this week, this game will very likely be close. It is said.

The members of the Plumbob team have been out to Modoc park three nights this week, slugging the ball and perfecting plays, and from what is given out by Manager Swanson, Bert Cook has his "wing" in splendid shape for tomorrow's game.

Manager Pospisil of the Jewels has injected lots of pep into his aggregation of ball tossers, and states that his team is now working better than ever. While most of his players are young in baseball, still they have that vigor which offsets the experience which the other teams have had. The Jewels are all keen to win tomorrow, for it places them on a par with the saucy Copcos.

While the game last Sunday fell to the Copcos, and the score was rather lopsided, it is said by the managers of the two contesting teams tomorrow no such score will fall to the other. Assuming from such remarks, the fans can dope it out themselves that a closely contested event will be their pleasure tomorrow.

The Jewel team will have a vacancy in its line-up after Sunday, a player who will be a decided loss, in the person of James Bristow, first baseman, who plays his last game with the city league. The Bristow family leaves next week for the Willamette valley and the coast, seeking a place to locate.

The line-ups for tomorrow in both teams are subject to changes.

Plumbob—Smith catcher, Bert Cook pitcher, Bresler first base, Meesner second base, Earl Humphrey short stop, Houston third base, Cudback right field, Thrasher left field, Rock McCollum center field, Allard and Walsh substitutes.

Jewels—Ramsby second base, Southwell short stop, Crox center field, Houston third base, Smith left field, Shinar right field, Foster pitcher, Bristow first base, Dunlap catcher.

## MEDFORD TENNIS PLAYERS AT HARD PRACTICE

It is interesting to note the amount of tennis activity displayed in Medford since the challenge from Klamath Falls last week. Without a doubt there has been more tennis played the past few days than in the past two years. The Klamath Falls challenge came on such short notice that very little time was given Medford tennis fans to round into form. However they are "snapping into it" with a will and hope to give the Klamath delegation a hard fight when they meet next Wednesday.—Medford Mail-Tribune.

## AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that it is so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

intendent is coming at once to take the position, accompanied by M. L. Ryckman, state superintendent of hatcheries, according to a telegram received by W. W. McNeally, secretary of the sportmen's association.

## NEWS FROM THE STATE CAPITAL

**Herald Salem Bureau**  
SALEM, Or., Aug. 6.—At a conference of state traffic officers here a decision was reached to enforce thoroughly all the state road laws. Secretary of State Kozor and T. A. Rafferty, chief of the traffic inspectors, addressed the meeting.

Warrants passing through the office of the secretary of state for the month of June aggregated \$2,252,332.40, according to Secretary Kozor. Of this amount \$93,524.17 was issued in a single day.

An electric passenger elevator is to replace the obsolete hydraulic elevator in the state capital and an electric freight elevator will be installed in the state supreme court building. Bids probably will be opened August 15.

According to a report filed by G. R. Lamb, county school superintendent for Tillamook county, with State Superintendent J. A. Churchill, eight routes for the transportation of pupils to and from schools are in operation in that county during the school year. The cost during the last year was \$5184, or an average of \$1023 for each route. Five teachers' cottages in the county are not credited with much success, but 21 play sheds in connection with rural schools have been successful.

I. H. Van Winkle, attorney general, recently gave down an opinion holding that when a vacancy is declared in the office of school director the remaining directors have authority to enter into contracts with teachers, also that the board after the election of new members, has no authority to invalidate the contract.

Oregon is now first among all the states in the ninth corps area of the United States army in the strength and efficiency of its national guard and second in the entire nation, according to information received from the war department by Adjutant General George A. White. Washington is second in the ninth corps area, but is nine points behind Oregon, and California is third, but 46 points behind

Oregon. In the nation only Pennsylvania is ahead of this state.

To clear up intricacies of the state bonus and loan act for war veterans Attorney General Van Winkle has made the following answers to four questions propounded to him by the bonus and loan commission:

1. A person who has received for military or naval service extra compensation exceeding the amount of cash bonus, would be entitled to receive the loan, under the state bonus act, without deduction of the amount so received.

2. A person who has received for military or naval service, extra compensation, less than the amount of the cash bonus he would be entitled to under the bonus act, is entitled to receive the loan without such deduction of the amount so received.

3. Any relative entitled to receive either the cash bonus or the loan under the provisions of section 7 of the bonus act, may elect which he will take, and section 5 specifies the relatives of a deceased veteran who may take a bonus in his stead.

4. A person who was a resident of Oregon at the time of his entry into the service, and who is otherwise qualified, but who is now a resident of another state, is entitled to either the cash bonus or the loan.
