

The Office Cat

BY JUNIUS

Oh, Junius, the Office Cat has come to town to stay. An' talk about the good folks, and all the thing they say. An' look into the scandals and help to spread them too. An' make folks feel quite awful, just like all old cats do. So, if you have a skeleton within your closet hid Just take it out and bury it beneath a castiron lid. For Junius is sneakin' and pokin' all about And the Office Cat will get you If you Don't Watch Out.

An' if you are a married man, a slyin' out alone An' tryin' to make a chicken think you have no wife at home; An' if you have some moonshine brewin' in the shed. An' if you use Sage Tonic on a very bald old head. An' if you take your sweetheart out and hug her in the park. An' if you have a birthday and then keep it in the dark. You'd better be real careful, for I know without a doubt That the Office Cat will get you If you Don't Watch Out.

An' if you are a gunman and just shut your eyes and shoot An' if your car knocks someone down you 'step on her' and shoot. An' if the City Fathers have a saasy, breezy scrap An' on the Dempsey-Carpontier fight you lost a dandy hat. An' if you go out fishing and come home without a one An' you tell an awful whopper and make folks think you caught a top I hope you'll watch your step, and it will do no good to pour. For the Office Cat will get you. If you Don't Watch Out.

Make that idle dollar work! Put it in the bank.

CRYING LOUD FOR ECONOMY

Herald Salem Bureau SALEM, Or., Aug. 5.—Strangely, the only rebellion against Governor Olcott's new policy of retrenchment by staying at home is within the state board of control itself.

A few days ago the governor issued a letter establishing as a definite administration principle for departments directly connected with the executive department through the appointive power, a policy of refraining from attendance at conventions outside the state and declining invitations to junketing excursions of any nature. The same policy was suggested to other departments with which the governor's office has no direct connection.

Many Say "Aye, Aye." About 95 per cent of the heads of state departments and institutions have endorsed this new policy and in unison shouted "Aye, aye, sir." But the governor's admonition was not accepted of the state board of control, namely, Secretary of State Sam A. Koser and State Treasurer O. P. Hoff.

Hoff Is Testy. Hoff issued a statement to the press in which he said he had been following such a policy of retrenchment during the whole of his official life and added sarcastically: "Heretofore

I have neglected to advertise these facts. Secretary Koser's reply to the governor's letter was to hop on a train and go to Helena, Mont., to attend a convention of state secretaries. Whether he is making the trip at state expense or at his own the public has not been informed.

VETERAN TOURISTS

BUTTE, Mont. Aug. 5.—J. P. Jensen, aged 76, of Brigham, Utah, arrived here recently with his wife, who is aged 71, after an automobile trip that had taken them through five states and Yellowstone park. Both reported that they were enjoying their trip immensely and had suffered no ill effects.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Luster At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.—Adv.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts If Your Back Hurts or Bladder Troubles You

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked with the strain, get sluggish and fail to filter the waste and poisons from

Hot Water Each Morning Puts Roses in Your Cheeks. To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incandescent material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body. If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach. Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks. A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do. Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys. The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular or passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.
