Painless Plaster Pallet
Wild and disheveled, watery of eye, and trembling of limb, he burst into the dentist's consulting-room, and addressed the molar merchant in gasping tones:

"Do you give gas here?"
"Yes," replied the dentist.
"Does it put a man to sleep?"
"Of course."
"Nothing would wake him?"
"Nothing, but—"
"Wait a bit; you could break his jaw or black his eye without him feeling it?"
"My dear sir, of course, I—"
"It lasts about half a minute, doesn't it?"
"Yes."

With a war whoop of joy and relief the excited man threw off his coat and waistcoat.

"Now," he yelled, as he tugged at his shirt, "Get your gas engine ready, I want to pull a porous-plaster off my back!"

Bob Robertson says knowledge of right and wrong won't get you anywhere unless you also have sense enough to choose the right.

In a wedding notice the editor of the Erie, Kan., Sentinel writes concerning the bridegroom: "He is said to be a splendid young man." That's conservative, and playing it safe, as perhaps should always be an editor's course in mentioning the bridegroom. But how would it sound if the paper said of the bride: "She is alleged to be a nice girl."

"Get in debt" is the advice of Louis F. Swift, head of the Swift Packing company. His advice might be much more appreciated if he would only tell some of us how to get out of it.

Makes Profit of \$1600 on Small Flock of Turkeys

SALEM, Or., Aug. 15.—A total of \$1600 in earnings from 300 turkeys was the phenomenal record made in 1920 by Mrs. Smith, one of the settlers in the Ochoco irrigation district of Crook county, according to Dr. W. H. Lytle, state veterinarian, who recently has returned after an official visit, into that part of the state.

Dr. Lytle is of the opinion that the livestock and poultry business can be made a big thing in that district, as well as in others in Oregon, if the settlers will apply themselves to work in out Crook county, says the veterinarian, is particularly fortunate in having as county agent, W. B. Tucker, who has been highly successful in working out the problems of the farmers.

Mrs. Smith, whose initials Dr. Lytle does not remember, is offered as an example of what can be accomplished. She also has hogs, sheep and cows, and the state veterinarian believes she has been as successful with these as with the turkeys. She has not found it necessary to buy feed and consequently has been able to fatten her livestock and turkeys on a profit basis.

SULPHUR SOOTHE ITCHING SKIN

The First Application Makes Skin Cool and Comfortable.

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.—adv.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and cause no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Adv.

A Double Japanese Wedding in America

One of the most unusual weddings ever witnessed in New York was the one performed by Prof. Hidoo Kimura and his wife, Komako, at their home. In a double ceremony, using the full Japanese rites, they married Mr. and Mrs. Ichino Noda and Mr. and Mrs. Masakata Katayama. The picture shows the wedding party reciting the Japanese wedding prayer, each groom facing his bride. Notice the white bands the brides wore for headdress.

Oregon Senators Join in Denial of Legion Allegations

SALEM, Aug. 15.—Accusations of Capital Post, No. 9, American Legion, that they repudiated their pledges to the Legion in voting for the recommitment of the veterans aid bill was denied by Senators Stanfield and McNary in telegrams

received a week ago but withheld by the Legion. The senators declare themselves favorable to soldier legislation but say it must be logical, practicable and timely.
