EPITAPH

Here lies my retail store—it can not retail any more but looks down sadly from the skies on growing stores that Advertise.

This little business, now is dead, the reason we can quickly tell, its owner had no business head, his window trimming looked like—nothing.

Under this stone my business lies. It neither cries nor hollers, I didn't keep a cost account, I'm out \$10,000.

My owner loather, competitors and thought them men to fear, spent all his time in knifing them, and that is why I'm here.

Worry About It

The hardest work you ever do is worrying about it; What makes an hour resemble two is worrying about it; The time goes mighty slow when you sit and sigh and sigh again And think of work ahead, and then Keep worrying about it.

Just buckle up and buckle in— Quit worrying about it. By work, not worry, you will win— Quit worrying about it. A task is easy, once begun; It has its labor and its fun; So grab a hold and do it, son— Quit worrying about it.

Sir: As a vox popper, I rise to protest against some of the items in the Permanent Tariff Bill. Is it fair to ask the public to pay 30 per centum ad valorem and 7 cents per pound on dimethylphenylenediamine, dihydroxynathalene, nitrophenolnenediamine, phenylmethylaniline, phenylglycerine-northo-carboxylic acid, tetramethylamine, odiphenylmethane?

Poppies have a very injurious effect upon other flowers placed in the same vase, which seems to react upon themselves, as they soon fade and die under such conditions. The same applies to sweet peas, which should always be placed by themselves.

IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complication.—Adv.

I will sell these lots for \$75 and up, on the installment plan, the terms to suit the purchaser. No interest will be charged and I will pay the taxes until deed is delivered to buyer.
