

STRATEGY WILL BULK BIG IN SUNDAY GAME

The city league management this afternoon informed The Herald that owing to a number of players in the Jewel and Copeo teams planning on being absent from the city Sunday, only one game will be played Sunday, the Plumbob-Ewauna contest. One full nine inning game, starting at 2:30 o'clock will be staged. The fans are asked to make note of this fact despite the notices given earlier in the week for two games.

"Your gang hasn't got a chance—quit your kidding—that bunch of poor fish—aw, hook up with a live outfit and be on the winning side once." Such are the expressions which are used around sporting headquarters this week when discussing the coming games at MODOC park Sunday. Keen rivalry has sprung up so much so when the barbers are shaving customers—they will pause in their work to argue with a patron about the relative merits of the teams. Even the waiters are developing the habit, it is said, of pouring soup down patrons neck accidentally, when some one states the Jewel team is headed for the cellar.

The mill men, who represent the Ewauna team say that "money talks" and that is the way they deal with the subject. They seem confident of some unusual arrangements and have that air, when talking about the city pennant, that the rag will come to them anyway. The Copeo bunch have been so overwhelmed with shame since their defeat Sunday that silence must mean that they plan a Waterloo as a means of redeeming themselves against the Jewels.

No gossip goes in the places where sports conversations are held. It is said that if all the "big talk" could be really put into action in the baseball games—the city league would out rival the National, American, and Coss Bay league for wonderful games.

The fans are wondering what is in store for them Sunday and say the city league managers should tell what kind of games will be played—sluggests, close scores, no hit games, or pitchers' battles ahead. The city managers are "passing the buck."

THE STRAND.

At the Strand tonight Mae Murray's first appearance in a Pathe feature occurs under the happy auspices of a Leonce Porret production. This winsome and attractive young star has been aptly described as the "Maid of Many Moods." In "The Twin Pawns" she has every opportunity to display these many moods, playing twin sisters whose respective environments are totally diversified, and throughout the action of the drama her dual roles call for characterizations which run almost the entire gamut of the human emotions. To borrow an expression from our sister craft, the speaking stage, Miss Murray gives an excellent "reading" of these two parts and studiously refrains from overacting roles which might easily have been torn to tatters by a less experienced artiste.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one

Metropolitan Mourns Caruso

The Metropolitan Opera House, New York, where the golden voice of Caruso was heard so often is heavily draped in mourning for the late tenor.

SHOE SLINGERS TO THROW FOR CHAMPIONSHIP

COLUMBUS, O., Aug. 26.—Efforts are soon to be made to bring together the three most expert horseshoe pitchers in the United States in a tournament here to decide the championship of the United States.

The world's championship is now claimed by two men, Frank Jackson of Kellerton, Iowa, and Charles Bobbitt of Lancaster, Ohio. C. C. Davis of Columbus, said by many sport writers who have seen him in action to be the equal of either Jackson or Bobbitt, wishes to meet both.

Bobbitt won a national tournament held at St. Petersburg, Fla., last February under auspices of the national league of horseshoe pitchers, the oldest horseshoe pitching organization in the United States. Jackson also won a national tournament held at Akron, Ohio, last August under the auspices of this league, but failed to participate in the later tournament in Florida. Bobbitt, therefore, claims Jackson forfeited the title.

Jackson has since affiliated with the national association of horseshoe pitchers, which was formed last May at Akron. It will hold its first annual tournament at Minneapolis, Sept. 7 to 9.

The national league claims the national association is an outlaw organization, and the national association is said to make similar claims concerning the national league.

Davis, the third of the trio, although affiliated with the national league, plans to enter the Minneapolis tournament next month.

At the Akron tournament a year ago, Bobbitt defeated Jackson in a single game, but Jackson won out on points.

small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.—Adv.

BEAR STARTLES BERRY PICKERS

Mrs. Alfred Melhase, a member of the party formed last week by Mrs. A. A. Soule, wife of Dr. A. A. Soule of this city, to seek huckleberries on the backbone of the Mt. Pitt region near Lake o' the Woods, had quite a thrilling experience with a native black bear on Tuesday August 16.

Mr. and Mrs. Alfred Melhase, Mr. and Mrs. Gus Melhase, Mrs. A. A. Soule and D. C. Earhart were walking up Fish lake trail with their paths with Mrs. Alfred Melhase in the lead. Hearing a noise in the underbrush near the trail, she investigated. The noise seemed to be coming from behind a log where a lot of huckleberries were. As she peered over the log, a big black bear stuck his face up from inside the log where he had been seeking an egg from a nest.

The sight of that dirty face with the surprised look on it as well, was too much for Mrs. Melhase's nerves and she fled back to the trail, beating the world's record recently set by Paddock, the great California sprinter, witnesses of the flight assert. Mrs. Melhase was unable to testify where the bear went. But the rest of the party left the vicinity at once declaring that "they had lost no bears."

BARNYARD GOLFERS TO DISPLAY SKILL AT FAIR

OLYMPIA, Wash., Aug. 26.—Horseshoe pitchers of Washington received official recognition recently when E. L. French, state director of agriculture announced that a horse shoe pitching contest should be a feature of the fair at Yakima, this fall.

There will be pitching contests for young and old, Mr. French said, and the winner will be declared champion of the state.

85,000 PERSONS WILL VISIT YOSEMITE PARK

YOSEMITE, Cal., Aug. 26.—Approximately eighty-five thousand people will visit the Yosemite National Park this year, if present travel keeps up, it has been estimated. Last year 68,000 entered the park.

A Family Affair

This carry-all was constructed by a policeman of the port of London. Here he is with five of his children on an excursion. The leg power is furnished by three of the riders.

MINISTER TELLS OF WIFE'S CASE

THINKS IT ONLY A SHORT TIME BEFORE MRS. SYKES WILL BE FULLY RESTORED AFTER TEN MONTHS SUFFERING.

Rev. A. H. Sykes, former pastor of the Watkins Park Presbyterian church, Nashville, Tenn., says: "After seeing what Tanlac has accomplished in my wife's case, I am convinced that it is a medicine of great power and extraordinary merit. I do not think I have ever seen anything to give such prompt results. Mrs. Sykes had been in delicate health for ten months, suffering from stomach trouble and nervous breakdown.

"I frequently sought medical advice but Tanlac is the only thing that gave her any relief. After taking the medicine only a short time, she was able to sit up and help with the household duties. I think it only a short time until her health will be fully restored."

Tanlac is sold by druggists everywhere.—Adv.

GEYSER ENDS VACATION

YELLOWSTONE NATIONAL PARK, Aug. 26.—Valentine geyser has ended a two year vacation. It now spouts twice weekly in the Norris geysers basins according to N. P. Skinner, park naturalist, who has recently completed an investigation of its activity.

Make that idle dollar work! Put it in the bank.

MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is had you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy free; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

HERE AT HOME

Klamath Falls Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills

It is testimony like the following that has placed "Doan's Kidney Pills" so far above competitors. When people right here at home raise their voices in praise there is no room left for doubt. Read the public statement of a Klamath Falls citizen:

J. J. Keller, 718 Jefferson St., says: "I am glad to recommend Doan's Kidney Pills for they fixed me up in good shape when my kidneys were out of order. I had dull, nagging backaches and a soreness across my kidneys. My kidneys didn't act right so I used Doan's Kidney Pills. They soon stopped the backache and relieved all signs of kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Keller had. Foster-Milburn Co., Buffalo, N. Y.

Trouble sometimes visits a man who isn't looking for it.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good druggist and use it like cold cream.—Adv.
