

# EWAUNAS WIN DIAMOND SCRAP

Scrappy ball was played yesterday afternoon at Modoc park when the Ewaunas and the Plumbob teams met "for a baseball game." The Plumbobs lost after nine innings of play but they had the satisfaction of "playing anyway." When they left the diamond, defeat ranked strongly in their systems as this game, in one way, may be a bar to the winning of the coveted pennant. It happened yesterday that the Ewaunas were full of ginger and pep and just outplayed the Plumbobs at all stages of the game.

In the first inning, the Ewaunas found Cook for six runs before his arm began working and while four hits were obtained, it was the errors which created the runs. After that inning, Cook pitched steady ball throughout the game. O'Neill was steady except in the second inning when five hits in a row coupled with headwork on the part of the Plumbobs netted four runs. After that inning, Plumbobs seemed to get on bases after two men were out but the Ewaunas team pulled together and saved him.

The first basemen of both teams were given good workouts, Hill making 14 putouts for the Ewaunas and Walker, 10 for the Plumbobs, showing that fielding and chopped hits were well taken care of.

Umpire McDonald had his troubles yesterday in looking after both bases and balls and filled the role satisfactorily to both teams. In his decisions, he called Wilson out for cutting six feet off third base in the eighth inning after the ball had been sent to third as per the rules of the game, and made a keen ruling on the question of whether a rebound ball batted by "Dad" Crawford was fair or not. He held the decision that it was a foul, and the spectators agreed with him.

The reappearance of "Dad" Crawford in a uniform was commented on and his playing and batting a marked feature. The Ewaunas team as a whole yesterday played winning and clean ball, the kind which brings approval from the fans. Judging from the rooting for them in the stands, the Plumbobs secured the same number of hits but could not bunch them at the critical times.

The spectators approved strongly of yesterday's contest as it had the appearance of a ball game, the two teams on their toes showing they were really interested in winning and when decisions seemed wrong, they spoke their "pieces" in a way that showed their desire to have their team win. All said, games like yesterday and Sunday last would have drawn many fans to earlier games, a number of spectators stated.

WASHINGTON, Aug. 19.—Dr. Joseph A. Linderville of Carlton, Oregon, has been appointed federal prohibition director for Oregon, succeeding Johnson B. Smith.

## NEW YORK HAS SOLD 625,000 BOTTLES OF IT

**BIGGEST THING OF KIND EVER SEEN IN THAT STATE, SAYS HEAD OF LARGE WHOLESALE CONCERN.**

The fact that 625,000 bottles of Tanlac have been sold in the state of New York since its introduction there less than one year ago, is a big business item that will attract unusual attention throughout the entire east, for nothing like it has ever happened before. It breaks all records.

Mr. George B. Evans, manager of the Gibson-Snow company, the well-known wholesale druggists, with branches in Albany, Buffalo, Rochester and Syracuse, recently announced that the preparation was now selling in their trade territories alone at the phenomenal rate of approximately 500,000 bottles a year.

"If the present rate continues," said Mr. Evans, "this state alone will probably require considerably over 750,000 bottles a year. This is a tremendous figure, but I am really conservative in making this statement."

Tanlac is sold by all druggists everywhere.

**HOW OLD IS CONNIE J. GRABB?** WASHINGTON, Aug. 19.—Senator Stanfield has clashed with the civil service commission. He says Connie J. Grabb, who is ambitious to grab the appointment as Baker postmaster, attained his 30th birthday on September 13 last, when he was 29 years old. The civil service board ruled Grabb out of the examination on September 6 because he will not be 30 years old until September 17. Senator Stanfield quotes the law as saying a candidate shall have attained his 30th birthday.

## Airplane as Hearse

This is said to be the first airplane funeral ever held in America. The coffin of an American aviator is shown on the plane which transported it from the aviator's home, in the middle west, to the cemetery. ## Gone Forever Is Caruso

The Giver of All Good and Perfect Gifts also taketh away. No more will the opera-goer look upon the heroic figure, clad in knightly armor and plighting a Love in the wonderful Caruso tenor cantabile.

Yet the Almighty has not removed that VOICE. It has been preserved for us—yes, for our children's grandchildren it will LIVE—in the Victrola Records.

Let us be grateful that the art of this greatest of twentieth century Tenors has been preserved for all time; and that the same Enrico Caruso can be heard in the Shepherd Store or at our homes—the same clear, notable tenor—even tho' he himself has gone from us forever.
