An Ancient Inquiry.

The old complaint resounds anew

Our sympathies to touch— When clothes appear to be so few Why should they coat so much?

Rub Out Our Name.

Thirty men could persuade the two thousand women students at the normal to lengthen their skirts by refusing to walk with them until they did.—Normal Bulletin, Emporia.

To which one of the "women" students, who probably wears 'em short so she won't be lonely, replies: "Mebbe, so. But first find your thirty men."

Recipe For Success.

Keep your head cool, your feet warm, your mind busy. Don't worry over trifles. Plan your work ahead, then stick to it—rain or shine. Don't waste sympathy on yourself. If you are a gem some one will find you.

Don't whine—tell people you are a failure and they will believe you. Talk and act like a winner, and in time you will become one.

What A Chance.

Remember the time when a girl thought a bathing suit, even with skirts was perfectly shocking? Now they go around with B. V. D. suits and feel perfectly at ease.

The English Way.

An American gob in England had stepped on a weighing machine and was studying it with a puzzled eye.

"What's the matter, don't you know what it means?" inquired a friend, more experienced in matters Britannical: "Let's see it."

He inspected the indicator and announced proudly:

"You weigh eleven stones, two bricks, one piece of three by one-half inch board and a couple of shingles."

Mr. Parrot: "This League of Nations is supposed to end all wars, isn't it?"

Mr. Rat: "I dunno. I'm sure I could never trust the cat."

THE STRAND

An earthquake is rather a novelty in motion pictures, a field that has covered about every sort of disaster, but a violent quake, such as are frequent in the South Sea Islands, plays an important and realistic part in "The Island of Regeneration," which will be seen at the Strand theatre tonight. In this engrossing story by Cyrus Townsend Brady a man and a woman are castaways on an otherwise uninhabited island. The man has been there for 20 years—since he was

a boy of five. The woman has been there for two years. Up to the time of the earthquake there had been no signs of love between the two. But the earthquake threw large rocks against the opening to the woman's cave, and during the man's frantic and successful efforts to remove them a realization of their mutual love came to each.

Vitagraph has given this strong play by the Rev. Cyrus Townsend Brady a splendid production, the earthquake being especially realistic. Antonio Moreno is featured in the play as the castaway and Edith Storey is the girl.

Voluntary Gift of \$10 to Help Band

To give Director Seelak of the Klamath Falls band substantial encouragement, also to voice his approval and show appreciation, Dr. Fred Westerfeld has sent a \$10 check to the band director to further the interest of music here.

Dr. Westerfeld has offered to duplicate the check if the band plays one afternoon at the county fair and compliments the director for the Memorial Day music furnished by the local organization.

Route Over Cascades Is Much Travelled

EUGENE, ORE., Aug. 21.—Travel over the new road into Klamath county by the old military route is now quite heavy, according to W. C. Yoran of this city, who, with Mrs. Yoran and their son-in-law and daughter, Mr. and Mrs. C. A. Sweek of Portland, arrived in Eugene from a trip to Crater lake by way of this road.

Not less than 50 cars were seen by the party on the upper river along this road, said Mr. Yoran, most of the occupants having driven up there to hunt deer.

Quite a number of cars were also seen on the shores of Crescent and Odell lakes, which have been reached this year by motor for the first time.

STORY TOLD BY THIS MERCHANT IS REMARKABLE

IT REALLY SOUNDS INCREDIBLE BUT WELL KNOWN MAN TESTIFIES TO TRUTH IN AN UNSOLICITED LETTER.

Writing from Maxeys, Ga., A. J. Gillen, proprietor of a large department store at that place, says: "I have a customer here who was in bed for three years and did not go to a meal at any time. She had five physicians and they gave her out. One bottle of Tanlac got her up, on the second bottle she commenced keeping house and on the third she did all the cooking and housework for a family of eight."

This sounds really incredible, but it comes unsolicited from a highly creditable source and is copied verbatim from the letter.

Tanlac is sold in drug stores everywhere.

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.—Adv.

IF BACKACHE OR KIDNEYS BOTHER

Est Less Meat, Also Take Glass of Salts Before Eating Breakfast Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region; you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.
