

LOCAL MEN TO BOX, LAKEVIEW

Larry Walker, one of the well-known baseball players here, and Billy Huff of Chiloquin have been matched to go ten rounds at Lakeview in the main event scheduled on the last day of the roundup, and both men, reports say, are fast rounding into shape for their go.

Both men weigh about the same, around 150 pounds, and while Walker is better known as a baseball player than a fighter, his entrance into the arena will be watched with interest. Huff has appeared a number of times in the local ring and has always given an interesting scrap to his opponent. On July 5, at Dreamland pavilion, Huff easily disposed of an opponent called Joe Fox, of San Francisco, in five rounds.

Larry Walker stated from the card which has been sent broadcast announcing the matches, the fighters are all nearly evenly matched and indications are that the fans will get a good run for their money at Lakeview.

Huff was in the city this week and stated that he was in the pink of condition and had offers from Bend and other western points to fight during the Labor day festivities this year. However Lakeview is closer to home and the purse very attractive.

Elks Abandon Ashland Game

Ashland Elks have "cold feet" about coming back at Klamath Falls Elks in the matter of a return sawball game. Tom Watters claims, "That bunch over in Ashland know that if Klamath Falls invades that territory with our baseball organization, they will be completely mopped up on their own grounds—and a defeat there would be the worst thing that could happen for them, on their own lot before their own rooters." Watters added:

Manager Watters was asked when the local Elks team would play the return match in Ashland as announced when the game was played here August 11 and the above remarks were given out for the local fans to digest. "Speaking seriously Watters said, "as the season is growing late and neither telephonic, telegraphic nor ordinary mail sent the Ashland bunch bears fruit, the matter of a return match has been given up."

LITTLE OLD RED SCHOOL HOUSE DISCREDITED

NEW YORK, Sept. 2.—Disadvantages of the country school child in comparison with the city trained child are pointed out by Professor Mabel Carney of Columbia University, following a series of conferences with country school superintendents from all over the nation.

"Almost half the school children of the United States, that is 8,000,000, attend one and two teacher rural schools in buildings of the box-car type," Prof. Carney said. "Many of these buildings are neglected beyond description.

"Their school term averages 137 days a year as against 187 days a year for city children. The average daily attendance for city school children is 80 per cent, while for country children it is 65 per cent.

"All this is greatly complicated by the question of child labor on the farm. It is estimated that one million and a half of country children are engaged in farm labor to their detriment and kept out of school. For this reason illiteracy is twice as great in rural as in urban territory.

"The country boy or girl is getting only about one-half the teaching ability, less than half the supervision and not quite half the efficient administration of school affairs that is everywhere accorded the more fortunate city child.

"That country children prosper as well as they do is due more likely to the wholesome influence of the average country home than to any advantage gained in the one-teacher school. The one-teacher school is an archaic institution and should be abandoned and replaced by consolidation as quickly as possible.

Make that idle dollar work! Put it in the bank.

WONDERFUL GAIN IN WEIGHT MADE BY YOUNG LADY

STATES THAT SHE ONLY WEIGHED 76 POUNDS—SHE NOW WEIGHS OVER 100 POUNDS AND IS GAINING EVERY DAY.

"Before I began taking Tanlac I weighed 76 pounds, N now weigh over one hundred and am gaining every day," said Miss LaTuc Davis, of Chattanooga, Tennessee.

"I bought my first bottle of Tanlac at Gas City, Ind., and it helped me so much that I continued using it. I have always been very delicate and suffered a great deal from stomach and rheumatism. I rarely ever had any appetite and simply could not relish anything. I fell off until I only weighed 76 pounds and was so thin I looked perfectly awful. This is the condition I was in when I began taking Tanlac.

"Oh, I feel so different now. Even my complexion is improved. My appetite is good and I can hardly get enough to eat. Tanlac is simply grand and I can truthfully say that it is the only medicine that has ever done me any good." For sale by druggists everywhere. —Adv.

Lately the County Horticultural Commissioner has found numerous specimens scattered through the county, chiefly in the vicinity of Irvine, and investigation has indicated that the seeds must have been brought from abroad in ship's ballast. The vine is also present in some section of Los Angeles county, and was first observed there several years ago, growing near San Pedro, where many ships from foreign lands discharge cargo.

The vine lays flat on the ground. It spreads in circular form, and reaches a diameter of six or eight feet. It throws out runners, and each runner bears bars which thrust out spiny growths sufficiently long

AN INVESTMENT

I have several blocks of lots surrounding the Malin high school that I will sell for business and residential purposes, thus offering to the people of Klamath county an opportunity to make a real investment. I will sell these lots for \$75 and up, on the installment plan, the terms to suit the purchaser. No interest will be charged and I will pay the taxes until deed is delivered to buyer.

Malin is situated in the center of one of the richest districts in the world. It is backed by progressive and conservative citizens. It has a future that assures development to a degree that will make this property worth many times the price I am selling it for. When oil is discovered, Malin will be found to be in the very heart of the field and the biggest producers will be at its door.

If you are looking for something that will pay you big returns, you can make no mistake in buying Malin property.
