

The Office Cat

BY JUNIUS

To The Victors Belongs The Toff.
(Stars and Stripes)
Who is it hands out interviews,
And has his valet shine his shoes,
And stocks his cellar up with booze,
And dines upon Budweiser?
Whole lot that drives a Mercedes,
And never thinks of saying "Please!"
To forty servants at their knees?
Why that's the German kaiser.

Who is it walks along the street,
In search of work, so he may eat,
And works like hell to make ends meet,
And never smells Budweiser?
Who is it has one suit of clothes,
And shoes quite airy at the toes?
Why, huddle, he's just one of those
Who licked the German kaiser!

Never Thought of That!
(Benton County Courier)
Klamath Falls in its crusade
against the parking of chewing gum
might begin by taking the fingerprints
of all residents so that culprits
may more easily be apprehended.

I know a man says Bert Withrow
who was so generous and yet so
poor that when he died he called
his children to his bedside and gave
them all he had—smallpox.

The Kaiser's income has dwindled
to a paltry \$600,000 a year, and just
as soon as we rustle money to have
our winter shoes half-soled we are
going to take a little time off to feel
sorry for this bird.

In These Days,
"That woman is overdressed."
"Let me see her. She's a rarity."

Diagnosis.
It's very plain that Summer's wane
is one, said Daisy Deever,
"For shoes of white look like a
fright,
Straw hats have yellow fever."

"If our good intentions for the
morrow would only keep from sour-
ing over night—"

The Trouble With Parsons.
"Mamma, I've got a stomach-ache"
said Nellie, six year old.

"That's because your stomach is
empty; you've been without your
lunch. You'd feel better if you had
something in it."
That afternoon the pastor called
and, in the course of conversation,
complained of a very severe head-
ache.

"That's because it's empty," said
Nellie. "You'd feel better if you
something in it."

A man can no more be successful in
his business if he does not love it
than he can be happy in his home
if he does not love his wife, and
family.

Why does a man swear to love
before marriage and love to swear
after marriage? asks, Louisa Hoagland.

It now appears that our Shipping
Board is a slipping board in some
respects.

The Ladies—God dress 'em—We
can't

An old hen by mistake had been
setting on a "china egg" for months.
One day she eyed it closely and said,
"There must be Plymouth Rock
blood in that egg."

An automobile is like a wife. The
more you pay for it the harder it is
to maintain.

Village Wit.
We present the celluloid piston to
the small town displaying this sign:
Go slow and see our town,
Go fast and see our jail.

The Elkhart, Ind., Truth teller can
remember the days when humans,
people used to insist on straw hats
for horses.

SHOW NAMED FOR A VALLEY

Quite a Few of Those Who Use the
Word "Vaudeville" Are Ignorant
of Its Origin.

The Fairest Lady turned to her es-
cort at the variety show the other
night during the intermission and
asked him where the word "vaude-
ville" came from anyway.
"Movies" is simple, she said. Any-
one can trace the origin of the word
coined by Young America and now
generally used. The British "cinema"
applied to cinematograph pictures is
also easily traced.

It wasn't until next day that the es-
cort, who had pretended not to hear
the Fairest Lady's question about
vaudeville, got a chance to look it up.
Then he found that the word came
from the French "Val de Vire"—a val-
ley in Normandy where originated
many humorous and satirical drinking
songs that became popular all over
France—known by the name of the
place of their origin. Eventually the
word became corrupted to "vaude-
ville" and was applied to a certain
kind of popular song. Its application
was limited to such songs until the
end of the Eighteenth century, when
it began to refer also to an entertain-
ment that included singing and dia-
logue as well as dancing and variety
acting.

**Hot Water Each Morning
Puts Roses in Your Cheeks**

To look one's best and feel one's best
is to enjoy an inside bath each morning
to flush from the system the previous
day's waste, sour fermentations and poi-
sonous toxins before it is absorbed into
the blood. Just as coal, when it burns,
leaves behind a certain amount of in-
combustible material in the form of
ashes, so the food and drink taken each
day leave in the alimentary organs a
certain amount of indigestible material,
which if not eliminated, form toxins and
poisons which are then sucked into the
blood through the very ducts which are
intended to suck in only nourishment to
sustain the body.
If you want to see the glow of healthy
blood in your cheeks, to see your skin
get clearer and clearer, you are told to
drink every morning upon arising, a
glass of hot water with a teaspoonful
of limestone phosphate in it, which is a
harmless means of washing the waste
material and toxins from the stomach,
liver, kidneys and bowels, thus cleans-
ing, sweetening and purifying the entire
alimentary tract, before putting more
food into the stomach.
Girls and women with sallow skins,
liver spots, pimples or pallid complex-
ion, also those who wake up with a
coated tongue, bad taste, nasty breath,
others who are bothered with headaches,
bilious spells, acid stomach or constipa-
tion should begin this spasmodic hot
water drinking and ate assured of very
pronounced results in one or two weeks.
A quarter pound of limestone phos-
phate costs very little at the drug store
but is sufficient to demonstrate that just
as soap and hot water cleanses, purifies
and freshens the skin on the outside, so
hot water and limestone phosphate act
on the inside organs. We must always
consider that internal sanitation is vast-
ly more important than outside cleanli-
ness, because the skin pores do not ab-
sorb impurities into the blood, while the
bowel pores do.
Women who desire to enhance the
beauty of their complexion should just
try this for a week and notice results.
