SAYS SCIENCE CANNOT PROVE COMMUNION

DETROIT, Oct. 10.—No scientific test will ever prove that man, in his hour of devotion, actually communes with God. Rev. Ditworth Lupton of Cleveland told the delegates to the twenty-ninth biennial meeting of the general conference of Unitarian and other Christian churches here recently.

"Without faith in actual communion with God," Mr. Lupton declared, "the strongest characters in the history of the world, from Jesus to Abraham Lincoln and Phillips Brooks, must have been created by a delusion."

Speaking on the same platform with Dr. William L. Sullivan of New York city and Rev. J. H. Dietrich of Minneapolis on what Unitarianism stands for, Mr. Lupton said: "Religion is like a great structure built upon two giant pillars. One of the pillars is service, the other is communion with God. If either pillar crumbles, the structure will fall. Service is the moral element of religion; communion with God is the spiritual."

"Without faith in communion with God the world would be morally poverty-stricken. Belief that souls are able to commune has been the greatest force for the development of morality and for the building of human character that the world has known."

"In the company of the prophets and Jesus could be cited scores of other moral geniuses who believed that the consciousness that stirred within them was the spirit of God. What of Paul, Augustine, Francis Assisi, Wesley, Channing, Parker, Lincoln and Brooks? Their faith in God's presence was the source of their moral zeal and influence. It does not seem logical to suppose

U. OF O. MEN OF HIGHEST TYPE

The county high school football team are getting ready for the invasion of Ashland Saturday where a return game will be played. The first victory fell to the local team here October 1 by a score of 17 to 7.

According to plans announced at the high school, Ashland rooters plan to have a grand rally in their city Friday night. The program will consist of a street parade, speeches, rooting, mael storm serpentine mace dances on the streets, ending with an entertainment in the auditorium of the Ashland high school at 8 o'clock. The game Saturday will start at 2 o'clock p. m.

A large number of Klamath students plan on attending the game and a number are making arrangements to leave here Friday afternoon to participate in the rally, boosting for Klamath high in the face of all the home town opposition. The invitation to take part in the rally was extended to the locals by the visitors on the occasion of the game played here. Nice compliments were given the locals for the sportsmanship and entertainment afforded the Ashland visitors by the players, students and the faculty of the Klamath high school.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts If Your Back Hurts or Bladder Troubles You

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked with the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular or passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.

MRS. WORK HAD NARROW ESCAPE

PORTLAND WOMAN CONVINCED TANLAC SAVED HER LIFE—HEALTH PERFECT NOW.

"I am convinced that Tanlac saved my life," said Mrs. Elizabeth Work, 372 Sixth St., Portland, Ore.

"Nobody knows how I suffered from stomach trouble for five years. I just went through such awful tortures that life was a burden to me. Every time I ventured to eat a good meal I suffered for hours afterwards from gas bloating me up and palpitation of the heart. I was so nervous I got little rest day or night and was as miserable and discouraged as one could possibly be.

"I am more than delighted with what Tanlac did for me. I am just like a different person now, eating, sleeping and feeling better than in years. Tanlac has brought me health and happiness and there is nothing that I can say about it that is half what it deserves."

Tanlac and Tanlac Vegetable Pills are sold by Druggists everywhere, adv.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good druggist and use it like cold cream.—Adv.

HERB AT HOME

Klamath Falls Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills

It is testimony like the following that has placed "Doan's Kidney Pills" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Klamath Falls citizen:

J. J. Keller, 718 Jefferson St., says: "I am glad to recommend Doan's Kidney Pills for they fixed me up in good shape when my kidneys were out of order. I had dull, nagging backaches and a soreness across my kidneys. My kidneys didn't act right so I used Doan's Kidney Pills. They soon stopped the backache and relieved all signs of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Keller had. Foster-Milburn Co., Buffalo, N. Y.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisons, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.
