## SENATOR KNOX STROKE VICTIM

WASHINGTON, Oct. 13.—Official Washington today mourned the death of Philander Knox, Pennsylvania senator, who died last night from a stroke of paralysis. Funeral services will be held here tomorrow and at Valley Forge, Pennsylvania, Saturday, preceding burial there.

Philander C. Knox was attorney-general in the cabinets of President McKinley and Roosevelt, secretary of state in the cabinet of President Taft and director of the interim between those two offices and afterward was United States senator.

He was an active figure in the fight in the senate in 1919 and 1920 against the ratification of the peace treaty of Versailles. Even when the treaty was being drawn up he delivered speeches in the senate and out of it in which he demanded that the league of nations covenant should be separated from the other part of the treaty. He introduced a resolution to that effect which was adopted by the senate and also presented a resolution against the appointment of American representatives on the reparations' commission. He also drafted one of the various resolutions submitted to the senate for adopting the treaty with reservations.

Subsequently Senator Knox was the author of a resolution adopted by the senate in May, 1920, declaring peace with Germany. This also was vetoed by President Wilson.

## Cash Went With Jail Fugitive

The prisoners confined in the county jail will no longer have charge of the money obtained in the "kangaroo court" since Ed Jones, one of the June 7 jailbreakers took \$9.53 of the "court's money" with him. Jailer Mark Howard has been chosen "treasurer" and is now handling the tobacco money and will continue to do so, Chief Wilson said today.

"Two experiences shook our confidence in the trustworthiness of confined treasurers and so the money will be kept upstairs and paid out on order of the Kangaroo court clerk," said the chief.

## Testimony Bears on Brumfield Letter in Today's Development

ROSEBURG, Oct. 13.—Testimony regarding the discovery of the "Dennis Russell" letter, which the state alleges was written by Brumfield to create the impression that Russell, for whose alleged murder Brumfield is on trial, was still alive was ready for presentation today.

Sergeant Waugh, of the northwest, mounted police and inspector Richardson, of the Calgary police, gave statements regarding the finding of the letter after Brumfield's arrest near Calgary.

Two letters, practically duplicates were found, they said, the first written in Brumfield's handwriting, with changes to show misspelling and errors such as an uneducated man might make. The second was a copy of the first in disguised handwriting. The officers told of Brumfield's arrest and subsequent developments.

Four witnesses today told of seeing Brumfield's car on the night of the murder.

A bottle of blood, which the state claims as coming from Russell's body, was introduced in evidence today. During the exhibit of the bloody evidence, Dr. Brumfield sat stolid and unaffected. Grant S. Clayton, one of the state witnesses testified that he drove through a pool of blood on the morning of July 14 and stated that he found scraps of bone and gray hair near the pool. He claims that he placed some of the blood in the bottle and turned it over to the sheriff. Dr. Frank R. Menne of the University of Oregon testified that the blood contained in the bottle came from a human being and not from an animal.

## LAW GIVES ACCUSED MAN ANOTHER CHANCE

Conditional that James Utters would deliver the property of Lloyd Morris back to its place in Lakeview, Sheriff Low released Utters last night from custody. It developed that Utters broke a part of the Morris wagon at Hilderbrand and traded the rig to a farmer there until he could come to the city and get work. Utters claims that he only borrowed the Morris wagon for an indefinite time and had no intention of stealing it. Lloyd Morris asked that clemency be shown Utters on account of the wife and infant child who are without any means of support and Sheriff Low gave Utters this chance to make good or face a grand larceny charge.
