VICTORIA, B. C. Oct. 15 .- Lieutenant-Govenor Nicol recently speared his trusty fork in to a bif of Danish pastry turned out by the world's most famous and best pald "builder" of deserts from the land of Hamlet.

L. G. Klitteng is the man and he gets \$250 a day for tickling the palates of those who favor Danish pastry just before the demitasse. He is the highest priced pastry cook in the world, and believes that his prime mission in life is to make the world safe for that delicacy.

Klitteng claims that 10,000,000 pieces of Danish pastry new flow from over the United States daily, and claims that ere long, inside of a year perhaps, this will jump to 25,-000,000. This total is the achievement Klitteng claims after five years baking and exploiting in this country.

Foreign-born Women Must Have License

SALEM., Oct. 15,-A foreign-born woman who has not yet become a citizen of this country must take out a gun license before she can carry a gun; but there is no decision in the Oregon law requiring her to take out either a hunting or fishing license. according to Attorney General Van Winkle, who has so advised A. E. Burghduff, state game warden. The state law, Van Winkle points out, requires that all foreign born unnaturalized persons, whether male or female, must secure what is termed a gun license before either hunting or fishing. The gun license however, does not take the place of a regular hunting or angling license. On the other hand, the law covering hunting and fishing licenses does not include women. .

Banks to Finance Northwest Grain

PORTLAND, Oct. 15 .- Portland year's crop.

The total amount needed by the grain producers will be \$18,000; the \$1,000,000 will be used as a re- points to the north. volving fund and probably cover the

the mean and maximum tempera-ures and precipitation record as tak-en by the U. S. Reclamation service tation. Publication will cover the day previous to the paper's issue, up to 5 o'clock of the day. Following is the sunrise and sun-

IF SKIN BREAKS

Just the moment you apply Menthe-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to flery eczems, that nothing has ever been found to take its place.

Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for im provement. It quickly shows. You can get a little jar of Mentho- Sulphur at any drug store.-Adv.
