

The Office Cat

BY JUNIUS

Greetings! Have you started the furnace yet?

A wife should help her husband in everything except driving the family car, says Bill Deisell.

Married men are said to live longer, but single men say it only seems longer.

No matter how profitable a business deal, it never equals the thrill of firing a \$5 bill in an old suit.

Del Gammon says if a woman would sacrifice as much for her husband as she does for her figure, all married men would have bank accounts.

VERY CLOSE

"The customers are complaining," said the boss barber. "Claim you shave 'em too close."

"That's the result of helping my father in the grocery. Been used to shaving clipped beef and cheese."

Did you notice that Doc Payne is a high official in the Indiana Dental Association.

FATTY IS FIKE.

Well, gracious me, old Fat is free. To roam about the town; His pile of dough stopped all his woe, And killed the public frown.

He's done with strife, he loves his wife, And his dear ma-in-law.

With he-male "bugs" and female hugs He's passed beyond the law.

His lawyers hold, his banknotes fold, Their pockets are well filled; So shut one eye, when folks fly high And other folks are killed.

Isn't it about time to spring the annual report about the shortage of Thanksgiving turkeys.

NOT BUILT THAT WAY

A private was shaving himself in the open air when his sergeant came along.

Sergeant—"Do you always shave outside?"

"Of course," answered the private. "Did you think I was fur lined?"

READY FOR THE NEXT

"I met old Deacon Bluebeard the other day, and asked him if he had got rid of the car in which his wife was killed when she was learning to drive."

"What did he say?" "Not by a dum sight, by Heck, any man is liable to marry again."

Teacher—Name two of the world's greatest deserts. Pupil—Sahara and the United States.

Physicians say that it is not wise to spank children on empty stomachs—the best way is to turn them over.

Hen—Whence the black eye, old thing?

Lee—Oh, I went to a dance last night, and was struck by the beauty of the place.

OBSERVATIONS OF OLDEST INHABITANT

I kin remeemr when a man could save on railroad fare by buying his ticket from a scalper.

No man is bigger than the law, but occasionally you find one whose bank roll appears to be, says Jack Furber.

It never rains but it pours!

IT WAS "company night." BUT WHEN I got home. I FOUND the Browns. HAD A sick baby. AND COULDN'T come. SO I chortled "Oh, joy. WON'T SUE and I have. SWELL EATS for two!" BUT NO, Sue said. "YOU DON'T suppose. I'D WASTE all this food. JUST ON you!" AND SO I said. "LET'S PHONE the Smiths." BUT THEY had headaches. THEN WE tried the Joneses. AND THEY fell for it. AND WHEN grub for four. WAS JUST about ready. THE PHONE bell tinkled. AND THE Brown baby was better. AND A minute later. THE SMITHS changed their mind. AND THE Missus fainted. "OH, WELL," I said. "THE MORE the merrier. WHAT'S THE difference? IF THERE isn't enough food. I'LL FEED the males. ON THE cigarettes that satisfy. AND YOU women can talk. AND BETWEEN the two. WE'LL ALL be Satisfied."

WONDERFUL company. Chesterfields—any time, anywhere. Just seem to "hit the spot." Good tobacco, good blending, (by a private formula that can't be copied), good-looking package with an air-tight wrapper. On every coast, an all-around downright good smoke. "Satisfy" All over the place.
