The opening Saturday night was well attended and many novelties were introduced which pleased the crowd, McDonald says.

As such affairs in the eastern corral, both at shucking and Hallow eve parties, the girl who husked a red ear of corn was the person who received osculatory demonstrations—but that part will be dispensed with at the hall, the proprietor says.

A continuous stream of power. From the first turn of the motor until the end of the trip, Red Crown gasoline delivers steady, dependable power. Every gallon of "Red Crown" which goes into your tank insures ready starting, smooth and rapid acceleration and more mileage—a continuous stream of power. That explains the popularity of "Red Crown"—why it is the choice of motorists who know what good gasoline should do. It pays to look for the Red Crown sign before you fill. You will find that sign at Standard Oil Service Stations, garages, and at other dealers. STANDARD OIL COMPANY (California) Copyright, 1921, by Standard Oil Company (California)
