

AMERICAN LEGION NEWS

To make former doughboys feel at home, unique plans were laid for the Nebraska state convention of the American Legion at Fremont. Military police were stationed about the city that the soldiers might have the pleasure of blithely disregarding the red arm bands of one time authority. Officers in Sam Brown belts and shiny puttees were conspicuous, but privates passed them by, cigarette in mouth, with a nod of recognition answering for the old snappy salute. Wooden shoes clattered over cobble-stones to bring back memories of French villages and to strengthen the illusion, small boys in street corners pleaded: "Give me one coogaret, please?" Signs on tumble-down buildings advertised "Vin Blanc" and "Vin Rouge" and other all but forgotten commodities of the French countryside.

C. R. Baines, general manager of the American Legion Weekly since February, 1920, has submitted his resignation, effective November 13, to become vice president and business manager of the Army and Navy Journal. The business and editorial policies of the Weekly were approved by a surveying committee which last week made a thorough investigation of the organization's national publication. Daniel F. Steck, national executive committeeman of Iowa, was chairman of the committee. In face of the Industrial depression, it was shown, the magazine is making a profit and has virtually wiped out a deficit incurred before the reorganization of the Legion publishing corporation in February, 1920.

Construction of two national hard surface highways, one from the Atlantic to the Pacific and the other from the Gulf of Mexico to Canada, is urged upon the government in a plan originating from Denver, Colo. The national organization of the American Legion has been asked to endorse and support the proposition, the originators pointing out that it would give work to thousands of unemployed ex-service men.

Marshal Foch has been voted a member of George Washington post, the American Legion, Washington, D. C., the first Legion post in the world to receive a charter. The post held that the marshal was eligible because he had commanded American troops in action. A motion to make the Generalissimo's dues 5,000 centimes was voted down, however.

Another local Chamber of Commerce which will not be in harmony with the national organization's fight against adjusted compensation for ex-service men is that of Auburndale, a suburb of Toledo, O. The Chamber of Commerce there has just been organized by members of an American Legion post. Formation of the commercial body was undertaken by the Legion men, they said, purely as "part of our duty to the community."

For the burial of one of their war dead, American Legion men of Marshfield and North Bend, Ore., post were required to travel seven miles in an open boat and then hike two miles with the casket over a muddy road in drenching rain. All roads were impassable for the stage which is the sole means of travel.

To honor Marshal Foch and other distinguished visitors, a squadron of six mail airplanes will fly from Washington to Kansas City during the American Legion national convention there this month, by order of Postmaster General Hays.

Unable further to witness the suffering of her invalid husband, an ex-service man, Mrs. Madelyn Taylor, living in the country near Little Rock Ark., published in the newspapers an offer to sell herself into servitude to get hospital treatment for him. American Legion posts of Little Rock immediately brought Taylor to a hospital and ordered treatment for him. They will foot the bills.

A strong heritage of the A. E. F. was responsible for a touching scene during the Oklahoma convention of the American Legion. Pinning a gold medal for service on H. B. Fell, retiring state commander, James A. Ingraham, Cleveland, heard shouts of "Kiss him, kiss him" from 1,000 delegates present. He did—on both cheeks.

Wounded in action and left permanently maimed, John Hansen was only able to do a house-cleaning job found for him by the American Legion employment bureau at St. Paul, Minn. But the buddy behind him in line had been out of work five weeks longer than he had, and Hansen surrendered the position to him.

President Harding was commended for calling the international conference on limitation of armaments and American delegates to the meeting were urged to use every effort to make disarmament a fact in resolutions adopted by the Oklahoma department of the American Legion in state convention.

CALIFORNIA NEWS

SACRAMENTO, Oct. 26.—The epidemic of diphtheria, which according to a statement issued in San Francisco by Dr. Walter M. Dickie, secretary of the state board of health, is sweeping California, has not reached proportions in Sacramento sufficient to cause particular alarm. Dr. George J. Hall, city health officer, stated.

SAN DIEGO, Oct. 26.—A consignment of 250 high power rifles and 60,000 rounds of ammunition, en route to Tia Juana, Lower California, was seized this morning by David Gershon, department of justice agent. J. A. Flahive, 53, Los Angeles, and two sons, Jack, 26, and Frank, 21, are in jail here for investigation.

SAN BERNARDINO, Oct. 26.—A woman bandit, traveling in an automobile, robbed two motor tourist parties on the highway near Hesperia according to reports to the sheriff's office here. While a man held a revolver, the woman searched occupants of two cars.

PLACERVILLE, Oct. 26.—Work is progressing rapidly on the Bret Harte hotel at Deer View, ten miles north of Placerville in the mountain wilds of the El Dorado national forest.

This new hostelry will be open to guests next season, but like similar institutions in the White mountains, in the Alps and at certain seaside resorts, visitors must send in reservations and references in advance.

RED BLUFF, Oct. 26.—Benjamin Waterfall, field agent for the California State Life Insurance company, has established a new world's record in life insurance salesmanship. It is announced here at the home office of the company.

He has written almost a policy a day for the last year, for a total face value of more than \$1,000,000. This business has been written in Glenn, Tehama and Siskiyou counties, and during its accomplishment he has spent his week-ends with his family

The Side-Saddle Coming Back

It takes daring to keep the hurdles sitting securely astride a horse. And this year more and more society housewives are returning to the less secure side-saddle. Here Mrs. Fairman Cook (nee Gladys Rosewood) "Pony" as she takes a high hurdle at the annual International Hunter show at Westbury, Long Island, N.Y. she did it.

in Berkeley, where his son is attending the University of California.

SACRAMENTO, Oct. 26.—Statistics compiled by the state department of agriculture show that there are in California more than 800,000 head of livestock. This, it is declared, is several times more than in any of the neighboring states, including Arizona with its wide ranges.

Artists Rated High By Music Critics

George A. Wirtz will present Joseph Phillips, baritone, Miss Helen Clark, contralto, and Thomas H. George, pianist, in a recital at the Presbyterian church Friday evening, October 28.

Possessing voices of unusual quality, Miss Clark and Mr. Phillips are extremely pleasing in their remarkable duet singing as well as individual solos. Their voices are of a peculiar quality which seem to blend together in perfect accord.

Music critics have spoken of Miss Clark's voice as one of the most beautiful heard in years. No less flattering reports have been received relative to Mr. Phillips' beautiful baritone voice. Thomas H. George

will be heard in solo numbers which are certain to please.

There are indications that something out of the ordinary will be heard at this recital although Mr. Wirtz refuses to divulge just what it is.

A capacity audience is expected. Admittance will be by cards of introduction only which may be secured from Klamath Falls Music House.

RENEWED TESTIMONY

No one in Klamath Falls who suffers backache, headaches, or distressing urinary ills can afford to ignore this Klamath Falls man's twice-told story. It is confirmed testimony that no Klamath Falls resident can doubt.

H. S. Wilson, chief of police, 317 Main St., Klamath Falls, says: "My experience with Doan's Kidney Pills has proven very satisfactory. I can recommend Doan's to anyone as they do all that is claimed of them. I had rheumatic pains in my feet at times and this was very painful. Doan's Kidney Pills were recommended to me so I gave them a trial. Five boxes cured me of the trouble and since then I haven't had rheumatic pains or any symptoms of kidney disorder." (Statement given March 11, 1916.)

On March 15, 1920, Mr. Wilson said: "I have had no sign of kidney complaint since Doan's Kidney Pills cured me. I am always ready to say a good word for Doan's."

Price 90c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilson had. Foster-Milburn Co., Mts., Buffalo, N. Y.

The hippopotamus is now rivaled by an amphibious tank that travels equally well on land or in water.

A German scientist has devised a process of making bread directly from grain without grinding it into flour.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair taking one small strand at a time by morning the gray hair disappears and after another application or two your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

Hot Water Each Morning Puts Roses in Your Cheeks.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.
